## THE FLORENCE

SEWING-MACHINES  
ARE THE BEST IN THE WORLD.

While a large number of Machines have been offered to the public, none of which possess points of excellence and acknowledged merit, we have long felt what others have experienced, the necessity of a Machine more perfect in its mechanical structure, consisting of—

HIGHEST QUALITY  
SIMPLICITY WITH DURABILITY,  
and while capable of doing a  
GREATER RANGE OF WORK,

one that could be easily understood and comprehended by all.

To supply a Sewing-Machine free from the objections attached to others has been our aim; for we not only had to surpass other Machines, as they appeared years ago, but also to improve from time to time by more recent experience. This we hold to be the only way of accomplishing the ideal of a perfect Machine, and the result of our efforts to this end, we have now introduced to the public, we shall make strong assertions respecting its merits, which are prepared to substantiate in every particular.

Following the Chain and Loop, or Knit styles, we adapted the

LOCK STITCH  
falling on both sides of the fabric, which is regarded by the masses as best suited to all kinds of work. But to meet objections sometimes urged against this favorite stitch, we have added the Knot, Double Knot, and Double Row, either of which is

STRETCHER AND MORE ELASTIC  
than the Lock; thus enabling the operator to select a stitch

PERFECTLY SUITED  
to every grade of fabric, and where necessary, even seams much stronger than it is possible to do by hand.

THE FLORENCE  
makes

FOUR DIFFERENT STITCHES  
with as much ease as ordinary Machines make one, and with as little labor.

The result of repeated tests has been all we could desire, and from its first introduction the Florence has gained hosts of friends, and has been regarded as—

HOUSEHOLD NECESSITY;  
proving that the public fully appreciate the many advantages embodied in the Florence Machine. Over all others, the Florence must be seen to be fully appreciated.

We claim for the  
FLORENCE  
the following

ADVANTAGES  
over any and all

SEWING-MACHINES IN THE WORLD:  
It makes four different stitches, the lock, knot, double-knot, and double-row, all on one and the same machine. Each stitch being alike on both sides of the fabric.

Every Machine has the reversible foot motion, which enables the operator, by simply turning a thumb-screw, to have the work run either to the right or left, to stay any part of the seam, or to fasten the ends of seams, without turning the fabric.

Changing the length of stitch, and from finest to coarse, by turning a screw, which can be done while the Machine is in motion.

The needle is easily adjusted, and does not skip stitches.

It is almost noiseless, and can be used where quiet is necessary.

Its motions are all positive; there are no levers to get out of order, and its simplicity enables any one to operate it.

It does not require floor space on the under than for the upper side, and will sew across the heaviest seam, or from one to more thicknesses of cloth, without changing needles, tension, breaking thread, or skipping stitches.

The Hemmer is easily adjusted, and will turn any width of hem desired.

No other Machine will do so a range of work as the Florence.

It will hem, fold, blind, gather, trim, quilt, and gather and sew on a ruffle of the same kind. It has no springs to get out of order, and will last a lifetime.

It is fully protected and Patented by Miss Howe, Jr., and our own Letters Patent.

The taking up of the shaft-thread is not performed by the regular extraction of a wire end or insertion of a spring. The position and accuracy with which the Florence draws the thread into the cloth is unapproached by any Sewing-Machine hitherto offered in the world.

We furnish every Machine with "Harris's Self-Sewer," which guides the work itself, and is of its valuable value, especially to inexperienced operators.

While possessing the above, and many other advantages, the Florence is sold at corresponding prices with other first-class Machines, and a careful examination will fully substantiate all that we have claimed for it, and justify the assertion we now make, that it is the best Sewing-Machine in the world.

We warrant every Machine to be all that we claim for it, and to give entire satisfaction, and will give a written warranty, if required.

Liberal arrangements made with those who wish to sell again. Further information may be had by inquiring of the General Office of the Florence Sewing-Machine Company, 69 Chestnut Street, Philadelphia, Pennsylvania.

FOR THE COLUMBIAN.  
THE SOUL'S REFUGE.

BY NATHAN BASS.  
"The soul's refuge is not in the world,  
Nor in the arms of any mortal hand;  
It is the refuge of the righteous soul,  
Who seeks the Lord, and finds his God."

Both the soul's refuge and the soul's home,  
The refuge of the righteous soul,  
Who seeks the Lord, and finds his God,  
The refuge of the righteous soul,  
Who seeks the Lord, and finds his God.

Both the soul's refuge and the soul's home,  
The refuge of the righteous soul,  
Who seeks the Lord, and finds his God,  
The refuge of the righteous soul,  
Who seeks the Lord, and finds his God.
