

The Columbian

BLOOMSBURG, PA. FRIDAY MORNING, SEPT. 30, 1867.

By order of the Standing Committee of the county, meetings will be held at the following places, to which the voters are respectfully invited.

DEMOCRATIC MEETINGS.

By order of the Standing Committee of the county, meetings will be held at the following places, to which the voters are respectfully invited.

MILITARY ADMINISTRATION.

In recent numbers we have discussed the action of the President in removing the Military Commanders in the Second and Fifth Military Districts of the South; the former comprising North and South Carolina, and the latter Louisiana and Texas.

A NEW AND IMPORTANT OFFICE.

The Act of Assembly passed by our last Legislature, and approved April 10, 1867, makes a radical change in the manner of selecting and drawing jurors for our courts.

DEMOCRATIC STATE COMMITTEE ROOMS.

No. 707, 7th St., Philadelphia, Sept. 19, 67. TO THE PEOPLE OF PENNSYLVANIA.

The Radicals attempt to evade the practical issues of the canvass and to devote us into support of their candidates.

The whole expense of the War Department in 1860 was sixteen and a half millions, whilst in 1867 it is estimated by the Treasury at forty-seven millions.

The men who have thus wasted your substance, prate of their sacrifice, and would maintain their hold upon the public treasury by fixing your attention upon the public interest.

It is their purpose to violate the great principle, that each State has the right to determine the qualifications of its own electors.

There is a great deal of trouble each year with the Directors of Schools in regard to the employment of teachers.

When the war was over the South submitted, then the Radicals kept them out to give the negro power. They refused to do so.

By order of the Democratic State Committee, WM. A. WALLACE, Chairman.

THE ANNIVERSARY OF THE BATTLE OF ANTIETAM was duly celebrated on the ground, on last Tuesday, and it is estimated that 10,000 people were present.

THE POPULAR VOTE.—The voice of the people cannot be mistaken. The recent elections furnish the most convincing evidence that Radicalism is soon to be defeated and crushed all over the country.

COMMUNICATED.

NATIONAL HONOR. Messrs. Editors.—All nations are distinguished by their respective forms of government, all of which are formed or altered through the magnanimity exercised toward their subjects or citizens.

They alone are accountable for the prostration of our business interests. They have deliberately sacrificed them in order to place in the hands of Southern Negroes, the balance of power in the Republic and thus preserve their own rule.

Instead of receiving aid to pay our debt, we are taxed to maintain a freedmen's bureau and a standing army in the South.

Radical mismanagement, a negro policy and Radical extravagance, weigh down our energies and fetter our resources.

RADICAL THUNDER.

THE Radical State Committee are circulating through the State, and endeavoring to place in the hands of Democrats, a lying document, appealing to the pecuniary interest of the voter.

ANNEXING LAND FOR SCHOOL PURPOSES.

At the last session of our State Legislature an act was passed, conferring upon the County of Quarter Sessions, another township or townships, or a part thereof, or parts thereof, of persons residing in one district, for school purposes.

They alone are accountable for the prostration of our business interests. They have deliberately sacrificed them in order to place in the hands of Southern Negroes, the balance of power in the Republic and thus preserve their own rule.

VIGILANCE COMMITTEES.

The Standing Committee at its recent meeting adopted an address, reciting three Democrats in each District to act as a Vigilance Committee; to whom instructions will be sent by the Standing Committee; and directed the address and the list to be published in all the Democratic papers of the county.
