selves, with lots of pickles,
anything but bread and

that are left over from Saturday's bakin, oh, I know how them things are done, but there's Bob callin' me, and we're goin' a birds nesting, for I know where there's a yaller bird's nest chock full of eggs, mother says the birds don't like it and that I would not like to have my eggs stole if I was a bird, but I ain't a bird you know, and that makes a difference, and if you want to print this you can, for next to bein' a stage driver and a pirate I'd like to be a an editor, for you fellers don't have to tell the truth, and you can go to the circus without payin."

THE GREAT

ZINGARI BITTERS

The component parts of this remarkable preparation were first discovered, compounded and distributed, some twenty years ago, by Dr. CHUSORUS, the celebrated Egyptian Physician. Thousands of his suffering countrymen were restored to health, as well as great numbers of the inhabitants of Nubia and Abyssinia, and of the countries bordering upon the Southern coast of the Mediterranean Sea. Indeed, the fame of the ZINGARI BITTERS soon spread over Europe, and was adopted by the principal Physicians in charge of the hospitals of the old world, in which it is still used with premi-

nent success. The Viceroy of Egypt placed the name of DR. CHUSORUS upon the "Roll of Nobles," and presented to him a Medal bearing the following inscription: "DR. CHUSORUS, the Public Benefactor." This Bitters is now offered to the public of America with the full assurance that it will be found, upon a fair trial, to act as a specific for the cure of

Cholera, Dysentery, Diarrhœa, Cholera Morbus, Fever and Ague, Yellow Fever, Rheumatism, Typhoid Fever, Dyspepsia, Colic, Bronchitis, Consumption, Flatulency, Diseases of the Kidneys, Nervous Debility, and Female Complaints.

Remarkable cures of the above diseases have been effected by its use, as numerous certificates, many from regular physicians, fully attest; and it is destined to supersede any preparation extant. As an agreeable Tonic, and an

INVIGORATING BEVERAGE,

IT HAS NO EQUAL.

THUS THE ZINGARI BITTERS HAS SOUL, AS WELL AS BODY, AND AS A PREVENTIVE OF DISEASE, HAS NO SUPERIOR.

A FEW WORDS TO LADIES.—The use of the ZINGARI BITTERS will give to you that soft, semi-transparent complexion which the God of nature (designing woman to be the loveliest of his works) fully intended that you should have—for it is nature's own powder and paint combined. By purifying the blood, stimulating the pigmentary cells of the dermis, and imparting health and life throughout the entire system, it especially gives that smooth clearness and beauty to the complexion so much to be desired—removing all roughness, blotches, freckles, pimples, and that yellow, sickly look so common in our day; and what is even better than this, it cures every species of female irregularities and disease

THE KEYSTONE CLOVER SEED STRIPPER.

PATENTED OCTOBER 2, 1866.

This simple, though effective machine is admitted by all scientific observers to be the most direct device for gathering clover seed yet discovered.

A mere glance at it is sufficient to convince the most obtuse mind of its practical utility.

It strips the clover head from the stalk leaving the straw standing upon the ground. It is easily drawn by one horse, and requires but one man or boy to work it.

It is compact, simple in structure, and not liable to get out of order, and can be cheaply got up.

The great advantage in this machine is, we have the seed gathered in the chaff, ready for the clover mill or huller, besides saving the great length of time and labor of mowing, handling and threshing it from the straw. It will also pay every farmer to gather his seed with this machine, on account of the saving of the seed which is lost in the old way of gathering it.

Extraordinary inducements offered to energetic men who wish to purchase State or county Rights
