#### A Plan for Maintaining the Poor.

It is manifestly the duty of every lie business, \$1,800." community to extend such aid to any and every individual in it as may be ous payments of the report of the Aunecessary to supply his or their absolute ditor General, and would like to know wants. How this may be done with by what authority the State Treasurer the most completeness and the least ex-made such payment. Mr. Slifer was pense is a subject which, just now, ow-ing to the large increase of poverty, is being anxiously discussed. We pro-pose the following plan which we think would to a large extent answer the in-

quiries of our people. Procure an act of Assembly author-izing the county Commissioners to assess and collect a tay not to avored 25 millis such collect a tay not to avored 25 millis and collect a tax not to exceed 25 mills out \$15,000 or a million, if they please ? on the dollar upon all the taxable propon the donar of the county, which would see it is a sum of not less than \$27,000. With ing important resolution, looking to the several cities, relief of the people of the several cities, counties, townships, etc., from the counties, townships, etc., from the counties, townships, etc., may a sum of the several cities and the counties of the several cities of the several cities and the counter of the several cities and the counter of the several cities and the several cities are constructed by them for the page. erect thereon suitable buildings, ma- ment of bounties during the war, passed chinery, &c., for the comfort and em- the House of Congress unanimously on ployment of the whole country. This tax would be a general tax and the land

the different townships with the defi-ciency in proportion to the number of ple. poor, respectively.

This tax would be special in its character and would be governed by the them so well in fat offices an lotherwise, number of poor in each township. In are not disposed to give them up at Har other words it would give each town- risburg. The Auditor General's report ship the advantage of having its poor shows that a number of the offices it kept systematically, without taking brought into existence around the Capi-

Take it Home to Yourselves.

THE ANNUAL TAXES .- The United ter as to States assistant assessors have received sib appearance from his home in Tremont. Let a Pennsylvania farmer imagine States assistant ascessors have received on his pa vember, we noticed some weeks ago, have been discovered. The son of one some and the solution of the most insignifi-include incomes and license. By the in New H Schuyikili county, on the 15th of No- prived of the tight to vote, the right to assessment of the annual taxes, which have been discovered. The son of one cant, and the right to sit on juries. Let amendatory act of March 2,1867, all re- attention of his partners in business, has divulged the terrible crime, and all the parties implicated have been arrested. The who have been taught to distrust and implicated have been arrested. The who have been taught to distrust and in the parties are the first day of the part of the parties are the part of the motive for the nurder is supposed to hate him and them by Yankees from additional! The assessors are instruct- prehension have been to secure a certain valuable Massachusetts, and to whom has been ed to enforce the provisions of the law them induced them to commit the mur-der. Thomas Smith and the Albright-ons were his partners. It seems the lody was thrown into the Marshfield coal slope, which is about

has passed into a proverb, but after all, according to the Albany Argus, there is in their some evidence extant that casts a shadow they have of doubt over the assertion. According their abi to the Argus, "the records of the War Department show that fourteen colored | counciln 'Department show that fourteen colored 'troops deserted where one was killed ; of 500, a that about thirty died of disease to every one that was killed ; that nearly twenty were mustered out of the ser- ditional vice for disability where one was Martello killed in battle. Look at the record : day nigh receiving Mustered out for disability, 20,236; the atta died, 31,866; deserted, 14,887; missing, | leave the "died, 31,806; deserted, 14,844; killed "whileh means running, 1,344; killed numbers "in battle, 1,514." This rather damages and again the record of the "coming men."

THE ATLANTIC MONTHLY for Febthose who have trampled him in the dust. Would you, Pennsylvania far-mers? We think we have your an-swer in a most emphatic and indig-nant—" No! I would dle, first!" Well, this is just a faint picture of the deplorable condition of the farmers of the Sould at this time. In addition to this the Bareau officers and military authorities regulate the amount of wages which the farmer must oay the sold until the negroes are paid. Then the Government claims one-fourth of the whole crop (if of cotton) for taxes, and if anything remains—which has not generally been the case for two years—the farmer may claim and enjoy it, providing he can succeed in keeping it out of the clutches of innumerable Two large Extension Fashion Sheets.

for dresses; gentleman's housewife; initial letters; braiding and embroi-dery, etc. A Suburban Residence, with the plans. The stories are all by the He char to organ the Sout the sup which t best writers.

CONGRESSIONAL.

peech. JANUARY 24 .--- In the Senate, yestersertio day, the Supplementary Reconstruc-tion bill, as passed by the House, was called for a second reading, when Mr. cept two exceeded and then World Doolithe took the floor in opposition to it. At the expiration of the morning hour a motion prevalled permitting him to conclude his remarks. Mr. Nye a show to show that in Mississippi, Louisiana, Florida, Alabama, and South Carolina, the black vote exceeded the white, while in Georgia it was about equal. He proceeded to review Mr. Morton's speech at considerable length. At the conclusion of Mr. Buckalew's remarks, Mr. Cravin secured the floor, and at 4.45 eplied at some length, no definite ac ion was taken on the bill, and the Sente adjourned. A discussion arose in the House upon

1860.

Mr. Cragin secured the floor, and at 4.45 the Senate adjourned.
