BLOOMSBURG, FRIDAY, APRIL 17, '68.

THE contract for carrying the mails from Bloomsburg to Cambra has been awarded to Henry J. Yaple.

MOSES HERST has sold his lot on Rock Street, recently purchased of William Lewis, to John Heist of this place.

Do not destroy this paper. When you have read it, pass it to your neighbor, and ask him if he doesn't think he had better subscribe.

PAINTERS and Builders can find at Hendershott's, a complete stock of leads, paints, colors, boiled and raw oils, glass, calcined plaster, pewter-sand, etc.

L. T. SHARPLESS has replenished his store with goods of the latest patterns, and best qualities. Dried fruit, Groceries, etc., always on hand.

MESSRS. KOONS & CLARK are re-fitting, re-furnishing, in fact entirely "re-constructing" the Exchange Hotel, and apparently are determined to make it second to none in Northern Pennsylvania. We admire their enterprise.

OUR thanks are due our Beaver Valley correspondent for additional subscriptions. It is a sensible and practical way to help the Democracy in their approaching contest, and a way in which every man can assist. Who of our readers will now go out and do likewise.

PIGEONS.—The late snow brought to our neighborhood immense numbers of pigeons, many of which were shot or netted. All the shot guns and muskets in the County were in requisition while our merchants did a good business in the powder and shot line. The pigeons were readily sold for a dollar a dozen.

THE COMMISSIONS of Messrs. Wm. Michael, Allen Mann, Richard Thornton, John G. Quick, Chas. G. Murphy, Hiram J. Reeder, Samuel Creasy and James Kealey, newly elected Justices of the Peace, are in the hands of the Recorder. It is desired that the parties will come in with their bail, and take up the Commissoins before the May Court.

A SWINDLE RESUSCITATED.--Within a few days a number of our citizens have received tickets in the celebrated Riverside Institute humbug, with the request that in consideration thereof they should purchase, or procure some friend to purchase, some of their engravings. We would warn our friends against having anything to do with that or any other lottery.

CHANGE OF TIME.—The travelling public will thank us for informing them that the morning train north on the Lackawanna & Bloomsburg R. R., passes this place at 7.45,—or forty minutes earlier than heretofore. We presume the object is to make connection with the New York train at Scranton. The only other change in the time table is, that the evening train north is ten minutes later than heretofore.

TOUCHING TREES.—There is nothing that our citizens should feel greater pride in, than having our streets adorned with shade and ornamental trees, and their lots and yards with choice fruit trees, which in a year or two will commence to yield and repay them ten fold for the outlay. The old assertion that in business streets, shade trees are an impediment, is fallacious. A beautiful tree is certainly much cooler and more convenient than an unsightly awning. Those who have not their property thus adorned, should take immediate steps to plant.

P. JOHN has not yet got over the result of the Connecticut election. Unable to explain the result to his readers, he has used downright falsehood. For example, he says "Connecticut has always been a Democratic State." Our answer to that is that from 1850 to 1867 it went uniformly Republican, sometimes by 11,000 majority. Palemon also adds that we "hold the Governor, but lose the Legislature." This another falsehood. We have not had the Legislature for eight years, and how can we lose what we have not?

Don't attempt thus to impose on your readers.

On Tuesday night last, the Merchant Tailor shop of Caspar Rahn Esq., of Catawissa, was entered by means of false keys; *and the entire contents*, consisting of ready made coats, pantaloons and vests of various styles, sizes and prices; and all the stock of cloths, cassimeres, vestings, linings, etc., etc. carried off. The robbers also took the foot boat of Esq. Margerum, the toll gate keeper, and it is supposed, laden with plunder, they paddled it *either up or down* the beautiful Susquehanna. The trail of the villains has not yet been struck, and as water leaves no mark, it is safe to say, they will escape, with their valuable booty.

ON Monday night last the Ticket Agent at Espy, Mr. James Lake, permitted two boys, about 12 or 14 years of age to remain all night in the office, and on the following morning it was found that a number of tickets had been stolen. One of the boys, named Geo. Renner, was captured at Danville, and on examination by Conductor Hughes, about 100 tickets were found in his possession. He was examined by Esquire Chemberlin and lodged in jail to await trial at the ensuing Court. The other boy whose name is unknown, escaped and has thus far avoided arrest. The value and number of the tickets taken is not known, as Mr. Lake's list was carried away at the same time.

THE REGISTRY BILL.—We print this important measure in full, and trust our friends will not only read it, but preserve the paper containing it for future reference, and for the settlement of disputed points arising under it. It will be seen that the intent is to give the working man as much trouble as possible, knowing that the Democratic strength is among the laboring class, and in the belief that they would stay away from the polls rather than lose so much time, and suffer so much inconvenience. We hope the working men will qualify themselves under this law, infamous as it is, and as in New York under similar circumstances, hurl the party from power who add this additional expense and cumbersome machinery to the exercise of the elective franchise.
