NASOTRAPONIOS Titen the prince thought to himself, Now when the full year was come I cannot go home to my father without my brothers ;" so he sold, " My dear friend, cannot you tell me where my two broth scare, who second in his betrothed bride. So he journeyed search of the Water of tafe before me, on, thinking of her all the way, and and never came back?" of bave shut rode so quickly that he did not even have bad hearts," Their brother, how- their meeting was over, the prine give him the kingdom.

Then they all three rode on together, and on their way home came to a country that was faild waste by war and a scape, and got into a ship and sailed dreadful familie, so that it was feared away over the wide sea, and where all must die for want. But the prince they went to nobody knew and nobody gave the king of the land the bread, and all his kingdom ate of it. And he And now the old king gathered to lent the king the wonderful sword, and gether his court, and asked all his kinghe slew the enemy's army with it; and dom to come and celebrate the wedding thus the kingdom was once more in of his son and the princess. And young peace and plenty. In the same manner and old, noble and squire, gentle and he befriended two other countries, simple, came at once on the summons;

When they came to the sea, they got | new searlet cloak into a ship; and during their voyage the two eldest said to themselves, "Our brother has got the water which we could not find, therefore our father will forsake us and give him the kingdom, which is our right;" so they were full of envy and revenge, and agreed together how they could ruin him. Then | Fruit Stealing. they waited till he was fast asleep, and Bur little has been said on this sub bitter sea-water instead.

When they came to their journey's we will let you off."

with his youngest son, and thought than the grain and poultry. that he really ment to have taken away We have already stated that his life, so he called his court together, now said on this subject, but we know went away through the wood.

him killed!" "He is still alive," said on the subject, will be regarded as the huntsman; "and I am giad that I worthy of attention .- Country Gentlehad pity on him, and saved him, for man. when the time came, I could not shoot him, but let him go in peace, and brought home his royal coat." At this ing up" potatoes produces their yield the king was overwhelmed with joy, and made it known throughout all his kingdom, that if his son would come back to his court he would forgive him.

Meanwhile the princess was eagerly waiting till her deliverer should come back; and had a road made leading up to her palace all of shining gold; and told her courtiers that whoever came on horseback, and rode straight up to the gate upon it, was her true lover; and that they must let him in : but whoever rode on one side of it, they must be sure was not the right one; they should be cooked, for sheep raw. and that they must send him away at

The time soon came, when the eldest brother thought that he would make at the sight of spiders. haste to go to the princess, and say that he was the one who had set her free, and that he should have her for his wife, and the kingdom with her. As he came before the palace and saw the golden road, he stopped to look at it, nd he thought to himself, ', It is a pity to ride upon this beautiful road;" so he Transplant the middle of May. turned aside and rode on the right-hand side of it. But when he came to the gate, the guards, who had seen the road he took, said to him, he could not

The second prince set out soon afterhe came to the golden road, and his What is a dollar or two of extra prelimhorse had set one foot upon it, he stop- inary expenses in getting goest trees? ped to look at it, and thought it very The Department of Agriculture says beautiful, and said to himself, "What that ten million bushels of wheat are a pity it is that anything should tread wasted in this country annually by bad Then he too turned aside and sowing-too deep, too shallow, too thick rode on the left side of it. But when I too thin, too uneven.
