THE COLUMBIAN A

for. The young folks.

The Good Waman

(Continued.) HE began saying many sweet things to her. She listened to him with a pleasure which she had never before experienced, and she responded to them in a simple manner, full of grace. the ribbon on a sudden from his neck Finin saw that it was getting late, and "Little almond," cried he, "I wish the fawn having arrived with Lirette's that we were out of the power of the letter, he told his sister it was time to King !" "And with his greatest enego home, "Come, brother," said she to mies, my dear cherry !" continued Lithe young Prince, giving him her hand, rette. "And that we might take away "come with us into the House of Roses." For as she believed Finfin to be her lar !" added Mirtis. They had hardly brother, she thought that every one uttered these words when they found who was handsome, like him, must be themselves with the Prince, the part her brother also.

The young Prince did not require much pressing to follow her. Finfin threw on the back of his fawn the game the House of Roses. he had shot, and the handsome Prince carried the bow and the game-bag of Mirtis.

In this order they arrived at the House of Roses. Lirette came out to meet them. She gave the Prince a smilling reception, and turning towards kept her eyes cast down, and felt much Mirtis, "I am delighted," said she, "that you have had such good sport." They went all together to seek the Good Woman, to whom the Prince made known his high birth. She paid due attention to so illustrious a guest, and gave him a handsome spartment. heave him." "Ah, Madam." replied the Prince, "do not complain that I He remained two or three days with have the happiness of following you. I have the happiness of following you. I respect the King, my father; but I plete his conquest by Mirtls, according to Finfin's request to his little almond. had it not been for the virtue, the kind-Moanwhile, the suite of the Prince had been much surprised at his absence. mother, which have always detained They had found his horse, and they beme. lieved that some frightful accident had befallen him. They sought him every-

whore, and the wicked King, who was ful palace, where they alighted and his father, was in a great fury at their were received by Madam Tu-tu. She not being able to find him. The Queen, was the most lovely person in the world his mother, who was very amiable, and sister of the King whom her husband them a hundred compliments, and conhad cruelly murdered, was in an in- lessed to them that it was she who had conceivable state of grief at the loss of given them all the pleasures which her son.

In her extreme distress, she sent secretly in search of Madam Tu-tu, who almond, and the mediar, the virtues of was an old friend of hers, but whom which were at an end, as they had now she had not seen for some time, because the King hated her, and had done her dressing the Prince in private, she told much injury with a person she dearly him that she had heard speak a thouloved. Madam Tu-tu arrived, without sand times of the annoyance he had being perceived, in the cabinet of the met with from his father; but, in order Queen. After they had embraced each that he should not attribute to her any other affectionately-for there is not evil that might hereafter befal the much difference between a Queen and a King, she frankly admitted she had Fairy, they having almost equal power, -the Fairy Tu-tu told her that she the full extent of her vengeance. would very soon see her son. She begged her not to make herself upeasy, and not to be at all distressed at anything that might happen-that either she was very much deceived, or she could promise her a delight which was quite nnexpected by her, and that she would be one day the happiest of creatures.

The King's people made so many inquirles for the Prince, and songht him will send out a system of coronal roots with so much care, that at length they found him at the House of Roses.

They led him back to the King, who scolded him brutally, as though he which will continue to multiply until were not the most beautiful youth in the entire surface of the ground is comthe world. He remained very sad at pletely occupied with open mouths of the Court of his father, and thinking of his beautiful Mirtis. At length his first supply of nourishment that is dishis beautiful Mirtis. At length his grief was so visible on his countenance, that he was obliged to take his mother into his confidence, who consoled him extremely. "If you will mount your beautiful paifrey," said he, "and come

turn his eyes upon Mirtis without ar agony which nothing could exceed. A true lover, on such occasions, suffers more than the person beloved. They seized these poor innocents, and

M. M. MARPLE,

I. H. WALTER,

palfrey,' said he, "and come to the House of Roses, you will be charmed with what you will see." The Queen consented willingly, and took well as evergreens of all kinds, when her son with her, who was enchanted growing on dry upland, will send down at seeing his dear mistress again. The Queen was astonished at the

of Lirette and Finfin. She embraced growing. Let the tap-root be removed, them with as much tenderness as if they had been all her own children, and conceived an immense friendship from that moment for the Good Woman. She admired the house, the garden, and all the curiosities she saw den, and all the curiosities she saw there. When she returned, the King desired her to give an account of her journey, she did so naturally, and he took a great fancy to go also and see the wonders which she described. His the wonders which she described. His body as the extremity of the longest son asked permission to accompany branches, by hoeing the surface over him ; he consented with a sullen air, frequently, or by the application of a for he never did anything with a good grace. As soon as he saw the House of Roses he coveted it; he paid not the least attention to the charming inhab-itants of this beautiful place, and, by way of commenciar to take possession of their property, he said that he would sleep there that evening.

The Good Woman was very much vexed at such a resolution. She heard -I offer the following suggestions, the an uproar, and saw a disorder in her result of my close observations and household, which irightened her, long experience: If the color be light, "What has become," cried she, "of the sorrel or chestnut, his feet, legs and face happy tranquillity which I once enjoy. white-these are marks of kindness. If ed here! The least breath of fortune destroys all the caim of life!" he is broad and full between the eyes, he may be depended on as a horse for
