31

manner, with a most marked benefit, It has with some of the more sub-Apr. 10 manifested by a sense of coolness, comstantial and thinking, come lately in vogue, to decry these latter epithets. It May 28 fort and invigoration. A lemon or two taken thus at tea time, as an entire is readily admitted that these terms are June 8 substitute for the ordinary "supper" of often employed with much silliness, Aug. summer, would give many a man a but at the same time, it may be as readcomfortable night's sleep, and an awak- ily proved, that within certain limits ening of rest and invigoration, with an they are not only harmless, but more appetite for breakfast, to which they are proper than Man and Woman.

Whether or not this double naming Sept. 7 tea or supper "relish" and "cake" and is common to all languages, is not as- oct. 2 " berries or peaches and cream .- Hall's sumed; but for classic authority, reference is made to Greek and Latin. In the former, anthropos resolvable into IMPROVEMENT.-We are pleased to three words which signify to turn aloft chronicle the beginning of another the countenance, would distinguish much needed improvement in our town man from the brute ; while aner is us-Nov. 19 viz: the widening of Centre Street from ed to express that vigor, boldness and Dee, 11 Main to Third. The property on the courage, which distinguish man from corner of Main and Centre Sts. was pur-chased last fall by Robbins & Eyer, and and *thaleia* is not so apparent, though corner of Main and Centre Sts. was purrecently they disposed of one-half of it, sixteen and a half feet, for \$1,650, for softness and delicacy, peculiar to the the purpose of widening the street to sex. In Latin homo and vir are precisethat extent. On Wednesday morning ly parallel to anthropos and aner, the last they broke ground for the erection generic and famina to vir, the more specific. There is then classic precedent for the use of two terms.

Courage, honor, magnanimity constitute the man but to make the gentleman voluntary subscriptions of our citizens. courtesy is an indispensable requisite. This comes of the refining influences of ACCIDENT .- There was an explosion civilization. Savage tribes have furin Dr. Ayer's Laboratory, yesterday, nished splendid specimens of the man,

which caused some excitement in the but then search were made in vain for vicinity. Ayer's Pills are manufacturthe gentleman. Indeed the word exed under an enormous pressure, in cylplains itself: the attributes of a man in inders, like cannon, which sometimes GAC 1000 a geutle garb. Woman is the anologue prove too weak for the compressed of man; lady or gentleman. Puof man; lady or genteeness and ..... forces, and burst with terrific violence. Fortunately the pieces do not fly far, so devotion, are the leading characthat no one has ever been hurt by them. 44 144 teristics of the sex, for which the The action is more like ice than powder; befitting appellation is woman. When but it makes Pills which all the world to these are added the polish and grace of conventional life, the lady is unmistakably marked. Pocahontas was a true woman, but in the essential trifles MR. WALKER, the Principal of

of the lady, no one would think of com-'Millville Seminary," we are informed paring her with the unfortunate Mary, Queen of Scots:

and will take charge of one at Espy. So accustomed are we to seeing both sexes wear a fair exterior, natural or bly known to our citizens, and has suassumed, that in common parlance, we have perior merits as a teacher. Under his employ those which have reference management we shall expect to see the school regain its lost popularity, and assume its proper position in our couneen by reference to the proceedings one, the conveniences ample, and the inst specific, ladies and gentlemen-he Legislature in another column, people intelligent and hospitable.

ligious body will commence its sesy projects ever attempted by a po- sions in Danville on Wednesday, March the ennobling internal qualities, intelal party. We honor the opposition 10th, next. It is supposed that some lect and feeling, is often overlooked on
