DAVID EVANS, a pauper, who had been for years blind and helpless, died at the Poor House of this township on Saturday last and was buried on the following day.

The calm statement of Mr. Meyer, the Secretary of the late Senatorial Conference, completely disposes of Mr. Nichol. It establishes the fact that Mr. Nichol asked to change his vote before the room. Also, that Mr. Nichol voted in favor of the change, and did not consider the 2023 ballot as final.

WON'T some one, who takes an interest in the matter, teach our Republican friends how to spell the name of their Congressman from this District? For further particulars see hand bills which are being distributed to speak in night.

The publication of our series of articles on the "Columbia County Invasion," will remain suspended until after the election. There is not now time for their composition, nor space in our columns for their insertion. But in due time they will be resumed and concluded. Until then the subject will keep.

LEAZURE COUNTY JURORS—List of jurors drawn for November Session, commencing Monday, November 22nd, 1909. GRAND JURORS—Abraham Heller, Hollenback; Joseph Wolf, Ross; John W. Walley, New Columbia.

PETT JURORS—Nathan Dodson, Huntington; Wm. Davenport, Huntington; Benjamin Evans, Nesquehony; Stephen Gault, Salem; Wm. Harter, Nesquehony; Theodore Nale, Nesquehony; Nicholas Seybert, Salem.

TRAVELERS JURORS—John Pope, Salem; S. J. Dodson, Huntington; Jacob Fugard, Huntington; J. M. Hicks, Salem; Samuel E. Kinsey, Hollenback.

THE JERSEY-TOWN MEETING.—This meeting was held pursuant to notice on Saturday last, the audience assembling at three o'clock in the School House yard of the town, the speaking being from a temporary platform. Gen. Brindle of Muncy spoke first and mainly upon the proposed XVth amendment to the Constitution of the U. S. The subject of suffrage and the action of the legislative majority at Harrisburg, at the last session, were handled by him with much spirit and effect. Mr. Bucklew followed. After some general remarks he proceeded to point out the necessity of reform in the State government, and particularly in the Legislature and in the administration of the finances of the State. He then recited the attempt which had been made by certain interested parties to read the late Senatorial nomination, reading papers in confirmation of his statement, and concluded with strong appeal to the audience to support the honorable and lawful action of the majority of the Conference and to resist improper and corrupt interference from abroad with the affairs of this District. A number of persons were present from Danville and other parts of Montour county. Lewis Schuyler, Esq. presided assisted by Richard Demott, Madison Twp., Jacob Hill, Hollenback Twp., John K. Girton, Bloomsburg, Samuel Polk Anthony Twp., Montour co., and John Thresh, R. Fishersburg as Vice Presidents and Samuel Jo. Norton, Madison Twp., and John Mordan, Mt. Pleasant as Secretaries.

Ins. Sarah A. Shepard the celebrated perano Lecturer, delivered two thrilling lectures on that subject, in the M. E. church, at this place, on Monday and Tuesday evenings of last week. Pressure of business prevented us from being present, but we have heard them spoken of as being attended by crowded houses and received with great interest.

TILL ANOTHER.—A meeting was held at the School House in Montour township, Monday night last, John G. Quick was called to the chair and Isaiah Dietrich was secretary. Mr. Bucklew spoke for one hour on the issues of the day and was succeeded by R. F. Clark, Jesse Ammerman C. H. Brockway and E. H. H. H. The house was very well filled and it was much enthusiasm.

THE probabilities are that the Democrats have a majority in the next Senate. It is why the Republicans are laboring so industriously to stir up divisions among us, and this district. If we carry this District they pass no more Constitutional Amendments out our consent, and Asa Packer will be one branch of the Legislature in reform. In view of this, Democrats, rally and our nominees, Mr. Bucklew.

DEMOCRATIC MEETING.—A meeting was held at the School House near Franconia on Friday the 25th of September. Enos L. Evans was elected President, Messrs. E. W. Vulp, Hippensteel, Wm. Evans and Mrs. Wm. Evans, and Albert Smith, were Vice Presidents, and Albert Smith, Secretary. The meeting was addressed at length by E. H. Little who was followed by John G. Freeze and Gen. Ent. The perfect harmony prevailed and Mr. Ent. will undoubtedly render a good account of the ensuing election.

DEMOCRATS ALL know the antecedents of the one named journal, THE COLUMBIAN, that was started as a conservative journal to fit the Democracy of Columbia county, to its mission it is. At the same time it is a Democratic journal. When the HUMPHAN started, the Democratic majority in Columbia county was about 1,500; now it is 2,000. At the same time the Democratic majority in Montour was about 450, and now about 570. In other words we have gained 500 and Montour 200. A little of the same old "splitting" would do no harm in our country.

THE REPUBLICAN NOMINATION.—After such maneuvering and hesitation the Republicans on Tuesday last completed their ticket nominating Capt. M. Whitmyer of this town for State Senator. He is so well known our citizens that no comment is needed on us. He is a clever fellow, and if a Republican were to be selected we know of no who success would better please us. We now have three candidates in the field, the Democratic nominee, and Whitmyer, the Republican candidate, and Chappin, Independent. Contrast them, follow them, and decide whom you will serve.

SERIOUS ACCIDENT.—About eleven o'clock, Tuesday evening, Mrs. Catharine Kline, mother of Mr. L. N. Kline, of the firm of Jettick, Kline & Co., was awakened out of sleep by an unusual noise in the sleeping room of one of her sons—calling him and asking to answer, she got up and started to inquire into the cause, but made a misstep and fell to the bottom of the stairs, dislocating both wrists and fracturing both forearms, and so badly bruising her back and head. Drs. Rittenhouse and Hall set the fractures, and limbs, and hopes are entertained of her recovery.—Standard.

The worst maladies go unvisited. It is recognized as a legitimate ground of pity to one who has a limb or speech or eyesight, it appeals at once to our sympathies to see a patient suffer by the wearing of a patient arm or the wayward sign, "I am blind," "I am a fool?" But not that a misfortune of all others, most pitiable, and which directly or indirectly lays the public so frequently under tribute? It would hardly do, however, to recognize this as an open claim to our relief, or should we have applicants who could plead this affliction as a town, as "thick as autumn leaves which are the brooks in Valhalla."
