She abled him to produce many of the best political papers ever laid before the

HON. AMOS KENDALL.

Following the announcements of the deaths of Admiral Stewart, General Wool and Hon. Robert J. Walker, comes that of Hon. Amos Kendall, a man who filled a wide space in the history of this country, Mr. Kendall was born in Massachusetts, in 1789, he comsaid that never were Masonic duties meneed his college career, and graduated with distinguished honors in 1811. Immediately after leaving college he entered upon the study of the law with W. B. Richardson, a prominent lawyer of Groton, Massachusetts, who subsequently became Chief Justice of New Hampshire, and was admitted to the bar in the spring of 1814. He then emigrated to Kentucky, and engaged in the practice of his profession; but removing to Georgetown subsequently, he received the appointment of Postmaster, the only office over held by him, with the exception of a position in the Cabinets of Jackson and Van Buren. Having edited a newspaper with marked success in the intervals of his other occupations, he was, in 1816, received upon the staff of The Argus of Western America, the leading Democratic Journal of Kentucky, published at Frankfort, the capital of the State. In this witness the two first steps of the cere- position he rapidly acquired a high reputation as a political writer, and soon came into the exercise of a wide influpossession of her mind, and those who ence in political affairs. In 1829 Generunderstand this passage well know what al Jackson appointed Mr. Kendall the feeling of any person must be who Fourth Auditor of the Treasury, and in 1835, promoted him to the post of Post-master-General. Mr. Kendall was continued in the position by Martin Van Buron until the last year of the latter's When she wakes to con-mounting my horse, waved a last adicu wery room where the concluding part of the over five years, and during that the second step was still being solemn-ized at the far end, and the room a very forms in that department. When James K. Polk was elected President, ton, which he refused, and devoted his he continued to reside from the time of his withdrawal from the Cabinet to his If in the new world, he heard ifornia gold mines, made up went to work bravely, kept steady, made what in Berne duty annually devolves, will find here apartments alarmed the members of the members of the steady of steady and appropriate steady in the transmission of the the transmissio and in addition the rare faculty of selecting the right men for the right places, and securing their services at all times. His death severs another link between the past and the present. A few more parted, and the nation will be in the hands of entirely new men,
