e Grand Commandrey of Knights
splars, of the State of Pennsylvania,
a go into camp, in this city, in the
sulful grove in the Herdic Park, on day, the 14th of June next. This be their sixteenth annual conclave, teen Commanderies are expected present. Their names are as followed by the control of t ay, Pittsburg, St. John, Phila-a, Jaques DeMolay, Monutain, livet, Hutchinson and Allen.

The Columbian.

Robbertes.—A series of robbertes remarkable alike for their boldness and for the utter want of skill evinced by the perpetrators, took place in this town on Saturday and Sunday nights last. On the first named night the dwellings of J. A. Funston, E. Runyon, E. Mendenhall and A. McDowell were entered and the first two thoroughly ransacked. Mr. Funston's papers were taken nor was any study of value missed from the house, in the study of J. A. Doran, who has a practical knowledge of the leading Machine to the stock of Dry Goods.

RIE XVITH ARENDMENT.—Subdies and part of the cellar but to one of them were taken, nor was any tang of value missed from the house, in the study of J. A. Doran, who has a practical knowledge of the leading Machine to the stock of Dry Goods.

RIE XVITH ARENDMENT.—Subdies and the first knowledge of the leading Machine to be compared to the state of the cellar but were unable to give double the cellar but were unable to force their way up stairs. Mr. McDowell's they entered the cellar but were unable to force their way up stairs. Mr. McDowell's they entered the cellar but were unable to force their way up stairs. Mr. McDowell's they entered the cellar but were unable to force their way up stairs. Mr. McDowell's they entered the cellar but were unable to force their way up stairs. Mr. McDowell's they entered the cellar but were unable to force their way up stairs. Mr. McDowell's they entered the stable door open and having secured it, discovered the next morning that he had inadvertently fastened the reasons wishing cards, but and the discovered the next morning that he had inadvertently fastened the reasons wishing cards of the way of the cellar but the force of the cellar but the fast of the fast of the fast of the probability of th

week Mr. James Boyd of Sunbury suffered a visitation from these plunderers
and lost a considerable amount of silverware. These depredators appear to
have started on a Summer tour of thieving and to have taken the line of the
railroad for the scenes of their exploits.

Bass BALL.—We notice that the
mous Athletic Base Ball Club of Philelphia, have met with defeat, for the
stem by the Unions of Moris
has, the score standing seven to six,
the play on both sides was superb. Atthe beginning of the eighth inning the
re was two aplece.

The dimensional patronage has been sought or given
and our establishment.—Repubsicen.

What a schopper! Our neighbor is
instatly seeking and obtaining Counpatronage. The very Issue containgathe above assertion had nearly half
column of County printing, and for a
both to more it had over two columns,

nowever much the Court House larger may desire to get rid of the present instance years, and his term will not expire the three years, and his term will not expire the political monopoly of the servant of the political monopoly of the organ is of the make of I. R. Perry, just patented, with improved wind arrangement and action of organ bellows, which renders his organs superior to any other make for power and modulating flat the castings, also corn plows, corn calitivators, cultivator teeth, and a great stock of farm-the servant of the purchase money came from the ladies' mite-society and the remainder will be made up in a short time.

match, there by a good 'old base ball game.

Another kind of amusement will shortly be introduced, namely our examinations and commencement exercises. These examinations, in some institutions a hugher in others a hum. stitutions a bugbear, in others a humbug, are here nothing else but a far specimen of our daily lessons; no made up drills, but a simple repetition of our daily labors, perhaps intermingled with some music and calisthenic exer-

cises. Afterwards, final examination of the graduating class.

We hope to see our friends from near and far on this occasion to encourage teachers and scholars and to give a new justre and impetus to our NOPMAL SCHOOL.

AGRICULTURAL SOCIETY .-- We would AGRICULTURAL SOCIETY.—We would again call the attention of our friends to the fact that this Society will hold its annual meeting at the Court House on Saturday, the 21st inst., at 2 p. in. All the members should attend and see that good, live men are selected for the different positions. We hope political preferences will be dropped, and the good of the Society alone be considered.

polia, Jaques DeMolay, Monntain, Olivet, Hutchinson and Allen. We have before us a beautiful plan of Encampment and the grounds, which a perfect idea of the place dissurroundings can be formed. We apprehend the gallant Sir Knightis have a pleasant time in their enappment, and that many strangers until it was got out, and then found the way clear up into the store-room.—Scranton News.

Montgomery Kline, was stolen together with a bridle and an army saddle. Although there were six horses in the stable, the mare alone was taken, probably because the nearest to the door. The Thursday evening of last week and seed ordinance No. I, which is publied in another column. Another eding was held on the Monday following and, after the appointment of a ministee on printing, adjourned unito morrow (Saturday) evening.

The Mite Society, members of the formed Church, having purchased a stry good organ, for the use of said urch, purpose having it dedicated on its good organ, for the use of said urch, purpose having it dedicated on its good organ, for the use of said urch, purpose having it dedicated on its good organ, for the use of said urch, purpose having it dedicated on its good organ, for the use of said urch, purpose having it dedicated on its good organ, for the use of said urch, purpose having it dedicated on its good organ, for the use of said urch, purpose having it dedicated on its good organ, for the use of said urch, purpose having it dedicated on its good organ, for the use of said urch, purpose having it dedicated on its good organ, for the use of said urch, purpose having it dedicated on its good organ, for the use of said urch, purpose having it dedicated on its form the seed or the form these plunderers and lost a considerable amount of silver-ware. These depredators appear to have started on a Summer tour of thick.

The same started on a Summer tour of thick.

The bound on the stable. The start is to say, it is time to get spring suits and no one can better supply your needs than David Lowenberg. Mr. Lowenberg. Mr. Lowenberg: Mr. Lowenberg were. He has something to gratify every taste however fastidious, and his workmanship is as good as ever. Gentlemen who are desirous of being well dressed, and comfortable as well really ought to call on Lowenberg. The have a started on a Summer tour of thick.

The bound of the same to be to said in your needs than David Lowenberg. Mr. Lowenberg: Mr. Lowe

It is not necessary to journey from the tropics to Alaska in order to experience the extremes of heat and cold. Thousands undergo all the in-conveniences of this thermometrical change every day, or every other day, as the case may be, without the trouble of moving over the threshold, A word with these involuntary shakbeautiful flower garden. Looking down from our Seminary, it seems to be a jewel, set in emeralds, topazes and diamonds. The grounds around the School are beautifully improved and enlivened, here by a good old base ball game.

Another kind of amusement will seems to be a like rooms over Janute tables. The stablishment to the rooms over Janute tables and has given happy niled the set of their return to a medium temperature?—to break the chilts and banish the fever? Are they dosing the soundness of their bones and impairing the viger of their brains and nervous-system? Some of them are, no doubt, but not the majority of them, it is believed. The value of Hestetter's Stomach Bitters as a harmless and certain spetific for fever and agus is not the rooms over Janute tables. Stomach Bitters as a harmless and certain specific for fever and ague is understood and appreciated in all parts of the country where intermittents prevail. The residents of such localities begin to take it early in the spring as a protection against the minsma by which they are surrounded; not all of them, perhaps, for a blind adherence to error is the specialty of some people, but the greater number.

If there is any fixed fact in therapeutics, it is this: that the Bitters are a far better safemard.

against all the varieties of periodic maladies produced by unwholesome exhalations than any drug or compound in the materia medica of the profession. This assertion is made with all due respect to the faculty, but being an important truth, and one that nearly concerns the health country, and indeed of the public at large, it is penchable testimony, it define disprovat.

To break up chills and fevers, as well as to prevent them, there is nothing so reliable as

this whotesome Vegetable restorative.

HOW TO CURE CONSUMPTION.

they act promptly and efficiently. Invalids who may not find it convenient to call on Doctor SCHENOK in person are informed that full and complete directions for the accompany each package of the MANIBAKE PILLS, PULMONIC SYRUP AND SEAWEED TONIC.—These medicines will cure consumption unless the longs are as far gone that the patient is entirely beyond the reach of medical releft.

It may be asked by those who are not familiar with the virtues of these great remedies, "How do he, SCHENOK'S medicines effect their wonderful cines of consumptions." They begin their wonderful cines of consumptions, "They begin their work of restoration by bringing the stomach iver and bowels into an active healthy condition. It is food that cures first fundamental form the Bray and student slime which have resulted the late and the proper digestion of forces and of the sody, and three proper digestion of forces and and of the sody, and three regularity and students slime which have resulted remained to the students of the sound of the proper digestion of forces maned prevent the proper digestion of forces maned anatural consequence, creates these so. Which is a natural consequence, creates these so, which is a natural consequence, creates these so, when the second is a natural consequence, creates these so, when the second is not proper digestion of forces and the digestive organs, make good rich tolood, and as a natural consequence, give flesh and strangth to the patient. Left the faculty say what I may, this is the anily trips care for constitutions. Expe is man has proved it beyond the shadow of a doubt, and thomsands are to-day after and well who a few perus and were restored to permanent beauth by the patient. Left the faculty say what I may, this is the anily trips care to roomanism from the study of a doubt not be proved the faire to roomanism from the study of a doubt not be proved the faire to one that the sum of a doubt not the proper digestion of proper digestion of the s
