

THE COLUMBIAN.

Bloomsburg, Friday, May 12, 1871.

Democrat Victory at Williamsport. The Democracy revolutionized Williamsport at the recent election, by electing their candidate for Mayor, who takes the place of a radical. So we go!

TOWN MATTERS.—On the first page we publish a bill which recently passed the Senate in reference to the Town of Bloomsburg. It will not doubt also pass the House and become a law. This bill confers new powers and duties upon the Council which may be efficiently exercised for the public good, or may be neglected and therefore prove useless.

WORTHY TRIBUTE.—During the "Alleghenians" concert tour through England, Ireland and Scotland, they were endorsed by the press both secular and religious. We copy the following extracts: The "Congregationalist," Scotland, says: "The choir which performed, though not the church except for the choir, which in the opinion of the press both secular and religious, they were endorsed by the press both secular and religious."

THE COMPANY.—The Company will appear at the Court House Wednesday evening May 17th, to present their bill for the year ending on the 31st of March last. It is for the benefit of the Y. M. C. A.

WHELAN, Roman, the subject of the lecture delivered this evening by Mr. E. J. BOWMAN, is excellent the public mind at present in this county.

RESOLUTIONS OF CONDOLENCE.—Through the dispensation of Providence, our late brother, Messrs. Coffman has departed this life, therefore be it resolved, That in his death our Order has lost an irreparable loss.

LOCAL NOTICES.—New Goods at H. Miller & Sons. L. W. HARTMAN has the best assortment of Grandines in Bloomsburg.

THE ODD FELLOWS.—This excellent benevolent society on April 28th celebrated the fifty-second anniversary of the formation of the Order in this country.

THE AMATEUR CHORAL SOCIETY.—This Society has since been under the direction of Prof. W. N. NILES, who has given a Concert in the Court House on the evening of the 28th inst.

FOR COUGHS, BRONCHITIS AND CONSUMPTION, in its early stages, nothing equals Dr. Pierce's Alt. Ext. or Golden Medical Discovery. It is also a great blood purifier, and a powerful restorer of health, and for "Liver Complaint" and Costive Conditions of the Bowels it has no equal.

THE TIMES says Dr. Walpole has lost his beautiful chestnut mare. She died suddenly in harness. It is supposed from some kind of accident.

THE SULTAN OF TURKEY has sent President Grant a \$10,000 carpet, to cover the floor of the East Room of the White House. It was over a year in making, but is said to be not of very tasteful appearance.

Church Robbed.—On Wednesday night last the Episcopal Church in this place was burglariously entered through a window and robbed of the altar cloths and table cover. Nothing else was taken from the church except for the altar cloths, the contents of an altar vase, which the thief broke open. The following note was found lying on the pulpit Bible:
