How the Fool Tricked the Highwayman.

Never heard of Redmond O'Hanlan, the Irish highway robber?

Redmond was a fine, strapping, gentlemanly fellow.

After going a short distance the negro fired at his cart and struck it in several places.

The sheriff called into council the leading lawyers, in order to determine what course he should pursue in regard to this informal and irregular requisition.

The other statements might be exposed with equal effect, but this illustration is sufficient for the present purpose.

The sub-committee, consisting of Messrs. Scott, Stevenson, and Van Trump, appointed to investigate the alleged outrages in South Carolina.

What People Read. Among thirty thousand volumes in the Mercantile Library at St. Louis, there are, it is said, seventeen thousand which are never called for by anybody.

One cause of the absolute trashiness of too many books is found in the fact that their authors know nothing.

When the leading points of history are presented to them in an animated and pleasant style, they find more satisfaction in such reading than a faded novel reader can in the freshest romance.

Duties Toward Children. It can never be too strongly impressed upon the mind that nothing releases a parent from his duties toward a child.
