Poetical.

For the Columbian, I am glad that I am old.

My hair is turning gray, my eyes are dim, my strength is waning.

My heart is full of sorrow, my mind is full of care, my life is full of pain.

My days are numbered, my hours are few, my time is passing by.

My soul is full of hope, my heart is full of love, my life is full of joy.

My faith is firm, my trust is true, my love is pure, my hope is bright.

My life is short, my time is brief, my days are few, my hours are few.

My heart is full of love, my mind is full of care, my life is full of pain.

My soul is full of hope, my heart is full of love, my life is full of joy.

My faith is firm, my trust is true, my love is pure, my hope is bright.
