noon. In the afternoon of same day he | Po ver." will preach his first sermon as Pastor at the "Heller's Church," All are cordi-is a scholar, whatever else he may be, in Sultivan county &c. ally invited.

A BEAKEMAN on the L. & B. R. R., named Daniel Titus, fell from the train at Rupert, on Saturday last, and a car passed over his foot cutting off two toes. The number of accidents to railroad employees in this vicinity is unusually large of late, this being the third we have chronicled within a few days; the two preceding it having been fatal.

OUR thanks are due our friend Mcof Fishingcreek for the list of new subscribers sent. We are not making any effort to increase our list, trusting that the merits of the Columbian will commend it to the party, and that no special solicitation will be necessary. Any person who wishes to keep posted in the news, politics or the business of the day should have a copy.

THE World Almanac for 1872 is even of every man who takes any interest in the affairs of the country. It contains an immense amount of general and political information, statistics, congressional legislation and items of public value. Price twenty-five cents, Address "The World," 35 Park Row, New York.

WE have received the first number of a magazine for "wide awake boys and girls," with the rather odd name of "What Next?", which is the best of the kind we have seen. It contains several good stories, poetry, &c., just suited to the tastes of young people. It is published monthly at the very low rate of 30 cents per year, address PUB-LISHER OF WHAT NEXT? 433 West Jackson Street, Chicago, Illinois.

WE made up our mind some time since, that those early blue birds and robins, who have been flying about in the southern part of the State, endeavoring to convince themselves and mankind that spring had arrived, would eventually come to grief, and the recent cold weather must have convinced those premature warbiers that neither "one swallow makes a summer," nor one blue bird a spring.

OLD ROSE BUSHES .- A subscriber of old rose bushes to the New York Observer: Never give up a choice but decayed rose bush till you have tried watering it for two or three times a week with soot tea. Take soot from a chimney or stove in which wood is burned and make a tea of it. When cold, water the rose with it. When all is used, pour boiling water a second time on the soot. The shrub will quickly send out thrifty shoots, the leaves will become large and thick, and the blossoms will be larger and mere richly tinted than before. To keep plants clear of insects, syringe them with quassia tea. Quassia can be more complete and full than any of its obtained at an apothecary's. The direcpredecessors and should be in the hands tions I enclose have been fully tested in my family, with most satisfactory re-

sults.
