

Monday, which began with little premonition and, for a time, the snow fell grees and beautifully less for several rapidly. It lasted but a short time, however, doing nothing more than whitening the ground. The weather succeeding the storm was exceedingly country. cold. Winter's region is nearly over and this last attempt to assert his sov-

ereignty will add little to the dignity of the dying monarch.

debt.

THE financial condition of Columbia county will compare favorably with lock-up. This is the second time he has ocen arrested for the same offence. that of any other in the State. The county is not only without a debt but Madison township owns this valuable bit of humanity and should take care has an available fund of \$7,235.57. This of him or he may be permanently prois proof that for a just and economical vided for in the jail. dministration of public affairs Dem cratic men and measures are indispenable. We believe no Republican county in the commonwealth is free from

A note with the words "without defalcation" omitted, is legal, negotiable dogs should be mad. Nobody molests and recoverable, just as much so, legally, them, as far as we can learn. Perhaps as if those words were in it. The Courts, they are jealous of the very many pupwe are informed, hold that all notes pies now holding office under the govare liable to defalcation, notwithstanding ernment. the popular impression that the clause

of the words "without defalcation" cannot be offset in any part by any counter claim. Notes without the Reese, who is in charge of the mill, way words named, however, are not in regular form, and will not be discounted destroyed by fire on Thursday noon of at bank.

insurance of \$400. Most of the furni-PETERSON'S DETECTOR, of the 15th, says; Merchants, railroad officials, retail | ture of the tenant was saved. dealers, bank officers, in short, all who IF any of our readers have been so receive paper money cannot exercise unfortunate as to bury cabbages so near 100 great care at this time against counterfeits. Never was there so much the surface of the ground as to freeze, we can bring comfort to them by telling bogus currency in circulation, and seldom have the efforts to get it in cir- them how a chap in a neighboring culation been so persistent and well county acted in like circumstances. He canaged. The worthless stuff em- bored a hole in the earth, filled it with braces all denominatious from the \$50 nowd.r and blew up his cabbages. This U.S. greenback down to a fifty cent is the quickest and most reliable way note. Legal tender and national bank of "raising" this vegetable we have notes are alike counterfeited, and right beard of. skillfully too.

IF there are any landlords in town who propose raising their rents this last, and elected J. Harry James, of Year, we would call their attention to Centralia as delegate to the State Conon account of the high rents. Such an Mercur, of Bradtord for Judge of the of the poets : exodus from Bloomsburg would be very disagreeable, especially for these who Orange and E. B. Brown of Mifflin, would in that case have empty houses to look after. Money is so tight at pres instructed for W. H. Woodin as Senaent, that house expenses have become torial delegate to the State Convention. matters of serious consideration. Mod- The committee behaved quietly and erate rents with good tenants are vast- neither quarrelled among themselves y better than high ones and nobody to nor abused the Democrats. pay them.

Many substances are in vogue to WHAT GOOD ROADS DO .- An exhange truly says. "Good roads benefit unpleasant scent, as of spirits, tobacco, every one residing along their course. etc. With the vulgar it is customary to Good roads save horse-flesh: they facil. use some pungent aromatic, as cloves, thate the transportation of produce to etc., but this savors too strongly of the market; they save your temper; they drinking bar to be used by any but tipherease the value of the lands; they plers. The following, used as a mouth and attractiveness to the eye of a wash, will be found excellent. Take stranger; they increase the traffic and chlorate of potash, the drachms, and business of a town by its vitality in all dissolve in eight ounces of rose or other branches of trade. Show us a town medicated water. As an article with which receives a large country trade which to flavor the breath, there is by means of the line roads leading to it, and we will show you a place that is Ginger. It is used by chewing a small lively, pregressive, and thrifty, with portion of the root, or if in powder, can money circulating in plenty, and men be made into a lozenge. It imparts to in all branches of industry busy as the breath an agreeable, spicy aroma.-Dental Register. beavers.

glasses have been growing small by deed into form for market, being termed years and the patience of the"drinkists" artificial fuel. This fuel is well adapted to all purposes where great intensity of and lofty tumbling on the part of therhas finally given out. We do not doubt combustion is not desired-for domestic that this action will meet the hearty purposes particularly, and for the prowishes of the lovers of lager all over the duction of steam in stationary boilers.

BOYS USING TOBACCO .- A strong and A MAN named Jack Thompson, was arrested by Constable Woodward on sensible writer says a good sharp thing, and a true one too, for boys who use part of April are given over to intense Monday last, for drunkenness and disorderly conduct, and lodged in the utterly ruined thousands of boys. It tends to the softening and weakening dampness of air which are, doubtless, of the bones, and it greatly injures the brain, the spinal marrow, and the whole early and frequently, or in any way uses large quantities of tobacco, is never known to make a man of much energy,

.....

REPORTS of the existence of mad dogs and generally lacks muscular and physreach us from all directions. If this ical as well as mental power. We would particularly warn boys, who pleasant matters. Praise should be giv style of things keeps on the "dog days" will have to be shifted into the winter want to be anything in the world, to months. We cannot imagine why the shun tobacco as a most fearful poison," against the wholesale laudation of good,

> " ADVERTISING PAYS. "-Often times it pays the printer better than it pays the merchant. It is a great mistake to suppose that all the advertis-

pay to tell the community with a ren in the craft and we stand by him; A DWELLING house in Pine township, situated near the saw mill of Elias flourish of trumpets that you have wares Mendenhall, and occupied by Cornelius to sell, better, cheaper, and more of them than your neighbor in trade when it's a lie, you haven't ! It don't last week. The building was of frame pay to attract people to your place of and was worth \$760, on which was an business with promises of "low prices,"

"large stock," "unparelleled advantages," when there is no truth in it! It don't pay to play upon the credulity Henry Wagner 2 00 J G Freeze of the public. "He who spits against the wind, spits in his own face," said the author of Poor Richard's Almanae, and so it is to day. A fraud may, succeed for a while, but wait and seelittle and big, the whole troop of falsehoods, by and bye, will "come home to roost. - Exchange.

> Communicated.

MR. EDITOR :- What is the proper THE Republican County Committee pronunciation of Wind-a swift current met in the Court House on Monday of air?

The i is generally made short now days as in tin, win, etc., but I am perae fact that sixteen families in Belle- vention, instructed for W. W. Ketchum suaded very incorrectly. One of the foute have decided to leave that town of Luzerne, for Governor, and Ulysses best ways of discovering it is the usage Supreme Court. M. A. Williams of Their instruments were various in their kind. some for the bow, and some for breathing was DEYDES. were chosen Senatorial Conferees and But there alast he could not safely find

A pack of dog-fish had him in the wind, SWIFT. If we should write-

"Every Triton's horn is winding Welcome to the wat'ry plain," it would be read with the long i; and doubtless Dryden so intended it. And J H Maize

sweeten the breath, and to disguise any so too Pope; Ye vig'rous swains! while youth ferments yo blood, Word the shrill horn, or sprend the waving net. And Dryden in another place gives Est J Harris us this couplet :

It stop'd at once the passage of his wood And the free soul to flitting air resigned. Upon the subject of the pronuncia-Upon the subject of the pronuncia Bianks 50 tion of the word "Wind," the poet Gay Thos W Fry 250
