Every one is supposed to know the law, and the plea of ignorance is not accepted in extenuation of its violation. Persons interested will therefore do well to bear respect to the playing cards, and canned meats and sauces.

Every one is supposed to know the law, and the plea of ignorance is not accepted in extenuation of its violation. Persons interested will therefore do well to bear respect to the playing that it is synonymous with a trashy affair.—In fact, catral committee and chairman of the taining some grains of truth. But we interested will therefore do well to bear this information in mind.

Few people know what are the re-sources of the Government until they see them dragged into service to re-elect a President, as now. We have Cabinent ministers on the stump, Bueditorials for feeble Grant papers, which are not sufficiently cared for by editorial postmasters and assessors. This is civil (and political) service, and shows that the President is bent on putting down this rebellion against his personal desire, if it takes the whole Government to do it.—N. Y. Tribune.

This charge we have every reason to believe is true, because the simultaneous appearance of the same article, in each Republican paper, without credit, is in itself proof. Our postmaster editor at this place, can therefore take his weekly jaunts as usual, without being annoyed with the idea that something new ought to go into his paper. His readers will now be satisfied that the paper will be edited, even if it is by some fourth rate Washington cierk.

On Saturday last, while a train o loaded coal cars on the Del, & Hud. railroad, in charge of John Wiser, was ered a little child about 8 months old, between the rails. The brakes were immediately applied, but owing to the short distance, the train could not be stopped before it struck the child, knocking it down between the child, knocking it down between the rails, when the whole train passed over it. when the whole train passed over it.
