THE WATER SHED OF SULLIVAN COUNTY.

Interposed between the two main streams of the Sasquehanna river above its bifurcation at All other business having been brought to a cash busis, it has become necessary that the same rule anould be applied to the Printing business. A subscriber who does not pay by the time his year is up its highest parts 2500 feet above the level of the sea, discharging from three of its sides considerable streams of water to the two divisions of the Susquehanna above mentioned. Of the that date. Each subscriber can see by the date print-ed with his name on each paper from what time he south and two on the east, each of which origisouth and two on the east, each of which originating on a high level and gradually making deep cuts for itself toward the edge of the plateau, eventually emerge from their mountain gorges into the river valley beyond. In this way the West Branch receives the Loyalsock and Muncy creeks, and the North Branch Fishing creek, with its main territory, and Bowman and Mehoopany creeks. Strong streams are all there, which if found in Europe would be denominated rivers, and the topography of each its upper and middle courses would well reward attention. The dense forests of the suntain plateau are composed of beech, maple, birch and hemlock, but a small part of which have been yet removed, and it may be assured that they have a considerable effect upon the climate and rain fall of the general section of the State in which they are found. Only of late resources of Sullivan county undergone investigation, but from what already appears it is evident that the county is not the description. which upon imperfect information many persons formerly supposed it to be. It has been assume that when the forests were swept off, there would he left only a broken surface poorly adapted to the purposes of agriculture and beneath to the

profoundest depths only sterile and worthless rocks. Lat a limited basin of coal intermediate between bituminous and anthracite has been found and developed at Birch creek, and recent Men lay, and judging from the court callender borings south of that locality indicate more extensive formations of the same material, distinct proof has also been obtained of yellow othre in a valuable deposit in the neighborhood of Ganoga Lake, extending northward for several miles, and iron ores also have been detected at

The whole section is rich in timber and the

Sollivan is dotted by about a dozen interesting ned the Susquehanna river at that place, two lakes, which we have no doubt will furnish favorite points for smamer resort in future times Towards the east Mchoopany and Bowman's creek each originate in one of these while the outlet flow of the others are contributions to bridge across the Susquehanna river, to take the tributaries of Fishing creek on the south. The place of the one that was swept away by the two west ponds are located near the centre of the county, while those two beautiful bodies of water known as Lewis and Hunter's Lakes are found upon the western border.

The enterprise and energy of two men have peen conspicuous in recent years in calling attention to Sallivan county, connected as they have been with improvements within it, with Judging from the cold, unpropitious weather | the investment of foreign capital in the developof the greater portion of this month, there seems ment of its resources, and with railroad enterto be more truth than fiction in the prediction prises for the transportation of its productions of some persons that this month, April, was in- to market, and they will deserve honorable mention hereafter in the history of Sullivan county. BLEEDING FROM LUNGS, CATARRH, BRONCHI TIS, CDNSUMPTION. A WONDERFUL CUIER. ROCHESTER, N. Y., Jan. 19th, 1874 R. V. Pierce, M. D., Buffalo, N. Y.;

Dear Sir-1 had suffered from Catarrh in an aggresears from Bronchial trouble. I tried many doctors C. S. Furman has now in store the Finest Lot of Made-up Harness, both Light and Heavy, Single and Double, ever seen in Bioomaburg. May, iz, becoming nearly worn out with excessive ditoria labors on a paper in New York Gity, I was nitrocked with Bronchitts in a severa form, suffering litarness a Specialty. His Prices are always Reason to the Bronchitts in a severa form, suffering almost a total isse of voice. I returned home here, but hed been home only two weeks when I was comtalized electrical blood flowing throug bis vetas bothed been bone only two weeks when I was com-pletely prestrated with Hemorrhage from the Lungs having four severe bleeding spells within two weeks, stain in the future. and first three inside of n ne days: In the Septem rouble remained and the Catarrh was tenfold wors: han before. Every effort for relief seemed tru tiess. emed to be I sing ground daily. I continued in this rechie state, raising blood aimost daily until about the first of March, 73, when I become so bad gested your remedies. But I was extremely skept cal that they would do me good as I had lost all heart in remedies, and began to look upon medicines and disctors with disgust. However, I obtained on of your circulars, and read it carefully, from which I came to the conclusion that you understood your business, at least, I finally obtained a quantity of br. Sage's Catarrh Remedy, your Golden Medical Discovery and Pellets, and commenced their vigoras use a wording to directions. To my surprise, I soon began to improve. The Discovery and Pell is, in a short time, brought out a severe cruption, which continued for several weeks. I felt much better, my appetite improved and I gained in strength and flesh. In three months every vestige of the Cutarri was gone, the Bronchitis had nearly disappeared had no Cough whatever and I had entirely caused to raise blood; and, contrary to the expectation o some of my friends, the cure has remained perma-nent. I have had no more hemorrhages from the lungs, and am entirely free from Catarrh, from rition I had suffered so much and so long. The det f gratitude I owe for the blessing I have received t your hands, knows no bounds. I am therough satisfict, from my experience, that your medicines will master the worst forms of that odious disease. Catarrh, as well as Throat and Lung Diseases. I have recommended them to very many and shall

eve speak in their praise.

Grat fully yours,

WM. H. SPENCER.

O. Box 507, Rochester, N. Y.

SCHEZCE'S SEA WEED TORIC, In the atmospher experienced here during the summer months, the lethingy read rest by the heat takes away the desire lesome food, and fregient perspirations re a natural healthful activity of the system, we must resort to artificial means. For this purpose Schenck's Sen Weed Tonic is very effectual. A low doses will create an appetite and give fresh vigor to the ener-vated body. For dyspepala, it is invaluable. Many entition physician, have doubted whether dyspepala can be permanently cured by the drugs which as concernity employed for that purpose. The Sea Weed Tonic in its nature is totally different from such drugs. It contains no corrosive minerals or acids; in fact it assists the regular operations or nature, and supplies her deficiencies. The tonic in its nature, so uch resembles the gastric juice that is almost iden cal with that fluid. The gastric jusce is the nat iv, causes the rood to be digested; and when this ce is not excreted in sufficient quantities, indiges a, with all its distressing symptoms, follows. Th ca Weed Tonic performs the duty of the gastr juice when the latter is deficient. Schenek's Sca Weed Tenic sold by all Druggists.

A SOUND REALTH MAXIM. order is heaven's first law," This great maxim olies with peculiar force to the discharge of the ini functions. Disease inevitably supervenes up a physical irregularity, just an calamity is sure to low want of system and punctuality in the affairs a life. But while it is next to impossible to overcome withou mental habits of disorder, it is quite feasible to remedy habitual irregularities of the body. Discipline the unruly organs by wise, and time y medi-cation, and health will be established upon a perma ent basis. Although there are many remedies prescribed for this purpose, there is not one among them can compare in directness and promptitude of action with liestetter's Stomach, Bitters. For every disor the numerous sympathetic pervous aliments t which allinentary or billious disturbances give the he Bitters are a most regable specific. Their won from efficacy is attributable to the fact that the first remove the cause of such maladies, irregularity physical substance produced by strkness. Constipation, billionemess, dyspepsia, heartburn, sleeples reso, intermittent fevers, rheumatism and nervous remors always surcumb to the operation of this afe and potent medicine. A regular habit, sound deep and easy digestion are among the blessing which its use conters. It invigorates, relieves depression of mind, and promoting complete assimila-tion, materially assists in covering the angles and hollow places of the attenuated, surunken frame

SHERIFF'S SALES

BY virtue of sundry writs of Venditioni Ex-or Common Phene of Columbia county, and to me di-rected, will be exposed to public sale at the COURT HOUSE, in Incomsture, on counties, and are more carefully read than any other lass of journals." If Mr. Stewert's judgment is of raine, there is no difficulty in deciding which paper t is for the interest of business men to advertise

in. The COLUMNIA DEMOCRAT, upon which this paper is partially founded, was established in 1836, and the COLUMNIAN now enjoys a riy, to wit:

All that certain real estate bounded on the north
or Main street of the Town of Espy, on the east by
in alley, on the south by an alley, and on the west
is let of Alonso Bodge, being 1724 feet deep and

URUBEBA ARE YOU WEAK, NERVOUS, OR DEBILITATED

WEAK, NERVOUS, OR DEBILITATED? Are you so Languid that any exertion requires more of an effort than you feet capable of malting?

Then try Jurubeba, the wonderful fonds and invigorator, which acts so beneficially on the secretive or gains as to impart vigor to all the vital forces.

It is no arcolooly appetract, which stimulates for a short time, only to let the sufficient of the local directly on the fiver and spices.

It regulates the Bowels, quiets the nerves, and gives such a healthy toole to the whole system as to soon make the invital seed like's new person.

Its operation is not viciant, bulk is characteritied by great groutleness; the patient experiences so elader change, no marked results, bulk remark of the financy states are the reduction in an example of the change, no marked results, bulk remark of the financy states at a true inducts reduction it is not seen that it is no new and quarted alsoovery, but has been long used with wonderful results, and is pronounced by the highest medical authorities, of the superful tonic and afternitive known.

Ask your druggist for it.
