

Miscellaneous.

MIND YOUR OWN CONCERNS.

Mind your own concerns, my friend. For they are yours alone. Do not be troubled by the faults of others. Do not be troubled by the faults of others. Do not be troubled by the faults of others.

Wise Sayings.

Good bread is often much kneaded. Men are grateful in the same degree that they are resentful. To be angry is to revenge the faults of others upon ourselves.

Patience.

Of all virtues, patience is the easiest to practice. Or will the reader say it is the hardest? It is only waiting; it is not easy enough to wait? It is not doing with laborious and wearisome exertions. It is not a resolution springing on the weak and reluctant mind.

Patience.

It is a great excellence that, upon thought we shall find it the prime element of all others, at least of those that are in any way of self-denial. It is not exercise alone in waiting for a dietary friend to ride or walk with us; in suffering our poverty the long delay of the debtor's promise; in endurance of the tedious counting of the suit at law.

KIDNEY COMPLAINT.

Probably there is no complaint that afflicts the human system, which is so little understood as the kidney complaint. It is one of the most common and most dangerous of all diseases.

THE BEST MEDICINE.

There is no remedy known to medical science which has proved itself more valuable in cases of kidney complaints than the 'Vesuvius.' It acts directly upon the secretions, cleanses and purifies the blood, and restores the whole system to healthy action.

PRONOUNCED INCURABLE.

Mr. Stevens, Dear Sir:—I have been afflicted with kidney complaint for ten years, have suffered great pain in my back, hips, and side, with much difficulty in passing urine, which was often attended with blood and mucus.

NEARLY BLIND.

Dear Sir:—I am expressing my thanks to you for the 'Vesuvius' which I have used, and which has cured me of my kidney complaint, and has also cured me of my near blindness.
