A walk or drive through the country now, is me of the most agreeable things imaginable. Everything presents such a rich, growing and stiractive appearance, the woods and fields are so count of goods stolen and the damage to the beautiful in their summer drapery, and the waer-exhibit-neh a clear and sparkling appearawoo, that the vicinity of Bloomoburg looks more ad it is supposed by the same parties, the Gree | like a fairy region floar anything else with which we can at present institute a comparison. "The world is full of beauty," and the voices of the birds ring with increased sweetness through "the sounding isles of the dim woods" and along he shares of the waters where they have built help loafe homes. As far as the eye can reach he earth toems with the variented bossefsommer, and the mild breath of June touches every leaf and every had with its reviving influence. The goodness and mercy of Divine Providence are seen in every direction.
