TO OUR FRIENDS, GREETING

by the first of July coulding we shall have complet at two years of the publication of the Courseau since it last come into our hands. More than three since it has come into our manner, since than three-fourths of its subscribers are indebted upwards of a year's subscription, and more than half of them have year a subscription, and more time in an or marked in not paid anything. As our checkation is large this is a heavy its upon the publisher and too heavy a load for him to carry much longer. During the sum-mer and autumn, and especially the ensuing month, Mr. E. L. Myers will call upon those subscribers who are in arrears for the purpose of receiving payment of the anomalia due, and we hope all will meet him of the amounts due, and we hope all will meet him kindly and be prepared to deputdate this indebtedness. It is far from a pleasure to us to send out a conjector or dun people for dues to any form, but conjector or dun people for dues to any form, but crerything in our line of budiness must be paid for in easie and, we cannot therefore afford to carry a in cash and to indebtedness for year after year, an arge amount of indebtedness for year after year, an which is constantly increasing. We trust, there for what is due, but that all will take pleasure in abling the paper to the extent of paying what they need for R. Mr. Myers is also authorized to take job work and advertision, to receive subscriptions, &c., and to take pay and receipt for the same. If,
