

BLOOMSBURG, PA. Friday, Aug. 20, 1875.

State Treasurer. From exchanges we learn that in case of the nomination of a western man for Governor by the Erie convention...

Hartranft and Temperance. When John F. Hartranft was a candidate for Governor in 1872, the "liquor league" of this State suddenly turned into its support...

The Democratic Governmental Nomination. As the fall county conventions are being held, delegates are also being rapidly appointed to the Erie convention...

What has become of the Impoverished? Let us see what has happened to these men in the order in which they are printed...

That the United States are to have this year an abundant crop of corn, all reports agree. An increased average of eight per cent has been planted...

Marriages. At the residence of the bride's mother, in Jackson township on Sunday, August 15th, 1875, by Elder C. N. Long, Mr. WM. COLLETT, of Lehigh County, Pa., to Miss AMANDA A. FAVER, of Jackson township...

Complete official returns from Kentucky by McCree, Democrat, a majority of 36,180 for Governor. The Legislature stands Democrats 29, Republicans 10.

We believe Mr. Sanderson never held any official position except that of Mayor of Lancaster. In that he discharged his duties most creditably and honorably...

The Rapacious Howl of Corporate Monopoly. The Reading Railroad Company has made a proposition to furnish the forty or more furnaces now out of blast along the Reading Railroad and branches...

Every Democrat should bear in mind that any one who now attempts to produce or promote discord, by fomenting opposition to or prejudice against Democratic candidates...

There are too many mechanics out of employment, too many smokeless chimneys, too many men loafing about X-roads with nothing to do...

The Grangers will have to include in their plan of operations the establishment of banks. The California Grangers led \$100,000 by the fall of E. Morgan's Son...

It is an undeniable fact that, while not one ex-President is living, the wives of five of them survive—Mrs. Polk, Mrs. Fillmore, Mrs. Tyler, Mrs. Lincoln, and Mrs. Johnson.

It is well therefore that it is discovered to have a desirable foundation. Complete official returns from Kentucky by McCree, Democrat, a majority of 36,180 for Governor.

Becher is summing among the mountains in Maine, where he is overwhelmed with immense audiences whenever he preaches. Whatever other people may think about him or however moral people may regard such characters as he, the yankees are certainly ready to worship him.

A great deal of fault has been found with Old Probabilities on account of so much rain. Grant escapes blame, because he is not supposed to meddle much with water.

Hon. Horace Binney died in Philadelphia on the 11th inst. He was born in that city January 4, 1780, and was therefore in his 95th year of his age at death.

The State board of pardons is growing rapidly into a sort of burlesque court, where sympathy instead of equity is the ruling principle.

It is not necessary for us to have discussion with the Philadelphia Commonwealth about the strength of epithets. No doubt any gentleman will despise "shabby" tricks as much as blackjacks, and of such the Erie Convention will be largely composed.

We have issued in supplementary form the speech of Hon. Franklin B. Gowen, before the Legislative committee charged with the investigation of the truth of certain allegations made against the Philadelphia and Reading Railroad Company.

No Coroner to Elect. The nomination of Mr. Isaiah Yeager for Coroner, by the Democratic county convention last week, was a mistake.

Northern Pacific Railroad. This road, with all its privileges, franchises and property, was sold last week, in New York, to a "committee of bondholders" for \$10,000,000.

We are about, on our side of the river, to engage in a State election; and if it were a State election and nothing else, the people on this side of the river would take very little interest in it.

There is no law to prevent it, and it is no law to authorize it. There is no law to authorize the deposit of State funds in private banks without interest, yet it is done without warrant of law and to the detriment of the public interest.
