

THE COLUMBIAN.

LOOKS BRIGHT, FRIDAY, DEC. 3, 1875.

Rail Road Time Table. LAUREL HAVEN & BLOOMSBURG RAIL ROAD.

Go and see the great drama "William Tell" tonight.

The steady increase of our subscription list, and our increased job and advertising patronage are exceedingly gratifying.

There are two times in a man's life when he is particularly anxious to see the newspaper—once, when he is in an awful scrape; and again, when he is looking for a puff.

The township trustees are getting to be something more than names. During three nights of the week the committee assembled in the lobby by Chief of Police Woodward aggregated twenty-one.

Through a mistake of one of our employes there has been an error in the numbering of the COLUMBIAN for several weeks. The proper number is restored this week.

Masses, Harman & Hassert have at last commenced business at their Foundry and Machine Shop on East street below Railroad.

A cubic inch of gold is worth \$194; a cubic foot \$252,288. The quantity of gold now in existence is estimated to be \$3,000,000,000, which, when in one mass, could be contained in a cube of 23 feet.

An early school on Wednesday morning of last week, Mr. Leonard, residing on Light Street, was arrested from being dog-sledding.

On Monday night last, Mr. Baltzer Lencok gave a Masonic supper to a number of lovers of good eating. It was a success. The "varnishes" were young, fat and tender, and thanks to the fact of cooking, Mrs. Baltzer Lencok, were done to a turn.

The Baptist congregation have added a good and frame building to the rear of their church to be used for Sunday School purposes.

A CALENDAR.

The following communication appears in the Morning Echo.

The Town Council of Bloomsburg has everything arranged so that the "conventers" are at leisure, at least, at part of their time.

"One of them contrived to enjoy his leisure in "cock fighting." He purchased a cock, and sent out his employees through the length and breadth of the town.

After many vain challenges a fowl was found which was thought, on test the blows of the "imported bird," to be a member of the "domestic flock."

This cannot be true. No member of our Town Council would so far demean himself as to indulge in such disgraceful amusement. The proofs, Mr. Editor?

"THOU PHYSICIAN! THE DOOR! THE DOOR!" We do not in the least feel like blaming Machete for this expression of disgust; indeed, we are rather inclined to sympathize with him.

"I have a good pair of Ladies Shoes at McKim's, Call and examine.

HELP YOUR MOTHERS NURSE INFANTS! It is a common fact that mothers who have no skill in the nursing of infants are weak and tired.
