orth from the closet, and found the peddler ahead of them by a bridle-path, but the lying on the ground, dead. Scott was in a smith changed his plan. If they did that, terrible dilemma, and saw at a glance that they would have to attack them both in the he would be suspected of having murdered open road and on horseback. The smith the peddler. Panic-stricken, he hastily knew the inn to which they were going, dressed himself, picked up his valise from and was well acquainted with the outbuildhe floor, took his horse from the stable, and ing in which they were 'to sleep. He prodeparted from the inn, resolving to seek posed, therefore, that they should rob the safety in flight. It was daylight when he peddler in his sleep, and only use violence

had taken from the floor was not his, but the When they entered the outbuilding the peddler's, which he had no doubt dropped smith went toward Scott's bed, while Richwhen the murderers fell apon him, and in ard remained near the door. Fnding the the place of which they doubtless seized and man they wanted was not there, Steele and carried off Scott's, which isy on the carpet his son approached the other bed, and found the peddler asleep, knowing it was he from The extraordinary story was not believed his bald head. They tried to remove the by the Coroner's jury in the face of all the value on which he slept, from under his lamning evidence against Scott. It was head, but he evidently had his hand in the

told by Scott. After the smith and his son peddler to Doncaster, and that he had taken had quitted the room, with what they supposed was the peddler's valise, Steele's mind sides this, he was captured with the valise been an observer of the bloody deed, and He hurried back to the room, resolved to

Scott was sent to jail, and in due course brain Scott if he found him awake. On tried for wilful murder. Out of charity a discovering the bed empty, the smith dropyoung lawyer undertook his defence. The ped his hammer in affright, the only explanevidence for the prosecution was clear and ation to his mind of Scott's absence being convincing, and Mr. O'Brien----afterward that he had witnessed the crime and quitted Sergeant O'Brien-the prisoner's counsel, the place secretly to give the alarm. The saw no chance of his client's escape .- The smith and his son departed panic-stricken principal witnesses against him were the and on reaching home discovered, to their blacksmith, John Steele, his son Richard, intense mortification and disappointment, the men that were in the smithy when the that the valise for which they had murderpeddler and Scott first met, the landlord of ed a man and exposed themselves to the the inn, who swore that Scott urged the ped- gallows, contained only a few old clothes ller to go another inn, and the officers who and a Bible. Steele and his son were hang-

The following strange story, which is told by the Wichita (Kansas) Beacon, is in rechronicled some time ago, with the excepstand perfectly everything they said, although it was the first time he had ever heard the Indian language spoken. He was afterward sent west, and is now acting in the capacity of a Government interpre-

"Andreas Eisinger, a native of Switzerand, and lately of the Sixth United States cavalry, is now in Wichita, under orders to report to department headquarters at Leavenworth. Mr. Eisinger is a young man of aout twenty-two years of age, born in Canton Thurgau, and was educated in the Grison or Canton Graubenden, which lies in the Tyroleans Alps, on the Austria front ier.
