the exposure of the post-office nuisance in this town, through your paper of the 21st inst., you

are entitled to the thanks of the business public It has become insufferable, and has called forth many remarks from the best of our townsmer of all parties. I have known instances where the some letters had to be carried to the office three imes in one day before they could be mailed. Your allegation on the changing of mails is not too strong, if strong enough. I hope the official

rs intend to employ a man to take charge of he jail and be general Court House janitor, which, if done, will relieve the Sheriff from watching prisoners when he is otherwise engaged. By this plan they intend running the prism on a system, with a view to economy, safety

public buildings, including water closets, &c., can be kept neat and clean. The cost of a reguiar janitor above what is now paid for cleaning, fireman at courts &c, it is thought would barely equal the amount that could be saved in

How many men go to the Recorder's Office on his heels and leaves, muttering to himselt,

Our genial friend Mayberry G. Rughes is a Mr. Packard, an artist of the New York Graphic staff, has been making sketches of the principal buildings in and about Bloomsiurg.

> County map. Mr. Packard's drawings are very accurate and are beautifully finished.

by Jonathan Chromis, at the river, which hears burg. a striking resemblance to a human face. The student must receive four affirmative votes out water has worn holes in the stone, forming sockets for the eyes, a mouth, and even nostrils, circular issued by State Superintendent Wick- whilst the shape of the nose is perfectly preserved. The mouth appears open and the

whole appearance of the face is the most gro tesque imaginable. The stone is certainly one of the queerest specimens of the effects of the action of water we have ever seen.

Numerous letters have come to our table from various sources urging our emphatic contradiction of the published report that employment can be had by any number of young girls at the Centennial Exhibition. It seems a letter

or circular has been widely distributed signed by parties representing themselves as "agents agement. It did not originate in personal spleen for the Centennial Commission," offering remu nerative situations, expenses paid, and wages in nor. Murphy is doing well, and we suggest from the necessity to the business community advance. Girls are advised by the circular not to consult their parents, but to come without Master. The Editors of the COLUMBIAN are their knowledge. The managers of the Exhibition have no such agents and have authorized

no such statements as the above. The scheme is so transparently vile that we hope it may defeat itself. Young girls who have the four of

death and perdition before their eyes will not so much as read one of these invitations to suicide. Philadeiphia can furnish an honest livwith silver, which the genial cashier was ex- ing to no one who will not give honest work for changing for greenbacks, and without asking it. The country maiden who is comfortably eared for in her own quiet village is a hundred-fold invenient to carry, and it will not be long be- better conditioned than she could be there. She

> are scattering their infamous circulars through the country can give her neither honest work

MESSES. EDITORS OF THE COLUMBIAN :- FOR

Goon .- The Post Master Editor don't like it that we find fault with his den, which he facetionsly calls a post office, and in retaliation he informs the public that the COLUMBIAN "is published in an alley, up stairs, in a back room, and perhaps the filthiest public place in town," Just so, the COLUMBIAN office, as every body knows, is located on the same alley as the Court House. It is perhaps as dirty as any public place in town, except the post office. A print-

are ready at any time to compare neatness with A. G. the Republican. Since they have opened the ball we will go a little farther in the description We understand that our County Commission

of the COLUMBIAN office. The editorial department occupies four rooms, the smallest of which is larger than the one used by the Republican. Our composing room is larger than the sanctum and composing room of the Republican together, and our press room is larger than their sanctum and neatness, and at the same time all of the and the post office, and we employ three more hands than they do. The COLUMBIAN owns the building in which it is published, and the material in the office, but the P. M. Editor dares not claim even a small font of type as his own.

They make one mistake knowingly. If they reknow the charge is false. If they refer to our composing room, they know that is not a public place, no one being allowed to enter except on

business. If you want comparisons, give us a full one. DEDICATION OF THE NEW NORMAL BUILDING.

vagrants to prison, as has been tice for many years past.

SNARES .- On Monday of this week Mr. A. W. Fritz, while crossing the fields between the Centennial mill and Mr. James D. Miller's, was attacked by a lot of blacksnakes, and after a schase of several rods, turned and killed three of them while the others disappeared .- Berwick Independent.

The annual meeting of the Columbia county Agricultural Society, for the election of officers, will be held in the Opera House at Bloom-burg, on Saturday, May 13th, at two o'clock P. M. By order of Executive Committee.

J. P. Cosson, Chairman.

A Carlisle man has sent a mammoth ox to the Centennial. The gigantic beast weighs there seemed to be considerable doubt on the or and measures four feet across the back. Those of our farmers who go to Philadelphia about the same condition for eight or ten days to see the great show, should take a look at this animal:

Clathes line agents are now traveling through the State, swindling farmers. It is the old frand dead, the body was buried, in a new shape. They get the farmer's name simply as a reference and it returns to him after a tew days in the shape of a bill for \$100, believe him dead. Hundreds have visited the The only safe plan is to refuse to sign your supposed corpse, and the remarkable case has name to any papers whatever, presented by caused great excitement throughout Mahantongo Valley. agents.

Moths will work in carpets in rooms that are kept warm in the winter as well as in the summer. A sure method of removing the pests is to pour strong alum-water on the floor to the houses and barns unroofed. Old Boreas had no distance of half a yard around the edges before laying the carpets. Then once or twice during and bonnets of blushing maids. Clouds of the season sprinkle salt over the carpet before dust penetrated the houses of the rich and poor sweeping. Insects do not like salt, and sufficient alike. Unfortunately for him, on that slay our adheres to the carpet to prevent their alighting President Judge was taking a ride from E-py upon it.

Nicholas Seybert and Mr. Williams, late Commissioners of Lagerne, have been bound over to an swer charges of malfeasance in office. Gershbacher, the other commissioner has disuppeared-probably gone to find Herdie and Embick. A hoard of three auditors has been appointed by the Court to see if any "erookedness" can be found for the past seven years. We refrain from expressing any opinion as to the guilt or innocence of the parties until both sides have been heard.

A special meeting of the Town Council was heid in the Council Chamber on the 19th inst. practice. He persevered, however, until a to take into consideration the opening of Jefferson alley to the L. & B. R. R. It was ordered that the Sceretary notify owners on said propos- That is why the Court came into town bareheaded street that the Council are about to pass an ed. It was not intended as any matter of specordinance widening and extending said alley, ial respect to our citizens. and that owners will be heard on the evening of May 3d, at the next regular meeting.

It was ordered that the Town Treasurer be allowed one per cent on the moneys received hension and conviction of horse thieves. It and disbursed on town bonds. The oaths of policemen were received and filed.

Notice was given that at the next regular meeting an amendment to the ordinance regulating the running of cattle in the town limits will be offere l.

On motion the meeting adjourned,

A little son of John Coleman, who resides on whom such horse thief shall have been tried Seventh Street, was run over by a coal car on and convicted, such person is entitled to for the Tuesday afternoon and so horribly mangled time and money expended in apprehending that he died in about two hours. The accident such horse thief, and in attendance at court occurred near the planing mill and the child, during such trial, not however exceeding \$100. who was eight or nine years old, was indulging It shall be the duty of the court to decide and in the practice, common to boys, of getting on fix upon the amount of such additional reward and off the train whilst in motion. Almost and inquire who is the person or persons entitled every hone in the child's body was broken and thereto, and shall direct the clerk of said court the physicians who were specifily summoned to certify the same with the name of the county in pronounced the case hopeless.
