H. P. Chamberlin, of Philadelphia, spent a day in Bloomsburg last week.

On last Monday night we had quite a frost. The weather now is quite in contrast with what It was a month ago. Every voter should examine the register of

his district and see that his name is on it. September 6th is the last day for registering.

L. K. Mowrer, Esq., of Danville, is chairman of the Montour County Standing Committee It is a good appointment.

The Gazette & Hulletin classes Gov. Chamberlain of South Carolina as a Democrat! What

Notwithstanding the favorable season many

farmers assure us that the crops are far below

the average. But then the scarcer the grain the higher will be the price. Charles E. Rice, Esq., formerly connecte with the Normal School, now of Wilkes-Barre, has received the Republican nomination for

Capt. M. Whitmover, formerly of Blooms burg, now of Columbus, Kansas, made his old home a visit on the way to the Centennial. He is looking well, and we understand has been quite successful in the practice of law in the west. His many friends welcomed him back.

Some of the young girls of our town are getting a little "loose" in their behavior, and unless they (and some "boys") change the tenor of their ways, the lock-up and jail may accomu date them. Our town has always been a model one in this respect, and all good citizens should aid in maintaining its fair reputation.

The annual meeting of the Columbia County Sabbath School Association will be held in the Presbyterian church at New Columbia, Hemlock township, on Tuesday, Wednesday and Thursday, the 29th, 30th and 31st days of Au-M. W. Nuss. Secretary.

The Minersville Republican says that John Siney has opened a hotel at Middle Creek. We rather doubt this, as Sincy has always been a temperate man. If true, however, the Labor Reform business does not pay heavily, and John will be unable to sell out his organi-

zation to the highest bidder as heretofore. DEMOCRATIC CLUB. - The Democrats of Bloomsburg are requested to meet at the Commissioners' Office on next Saturday evening at

7:30 o'clock for the purpose of forming a Tilden & Hendricks Club.

A full attendance is requested. BY ORDER OF COMMITTEE.

On Saturday last Dr. W. M. Reber, success fully performed a very delicate surgical operation. It was the removal of a cancer from the temple of a young lasly. He was assisted by Dr. J. B. McKelvy. The patient is doing well, and this operation is one more item of evidence showing the skill of the above named gentlemen

at Wilson's saw mill, in Valley township, on Monday afternoon last. He was caught by the saw, which entirely severed his right leg and almost his right arm. A terrible incision across the abdomen finished the horrible work in an instant. He was a single man aged about thirty years. He was buried on Tuesday,-Dan-

The great coal combination has been broken by the withdrawal of the Lehigh Valley R. R. Co. The result will be the cheapening of coal. The combination, after all, was a conspiracy, and as such was amenable to the laws. But no one attacks a conspiracy amongst great corporations though they are relentless against any combination among their employees for the purpose of securing better wages.

The Mountain Democrat is the title of a new paper started in Hazleton by Hon, J. C. Fin-The number before us is admirably "made up" and neatly printed. The editorials are written with Mr. Fincher's usual ability and vigor, and the local items are interesting and terse. In politics it is straight out for Tilden and Hendricks, and witl do yeoman service for the cause this fall. We wish Brother Fin cher abundant success, and have no doubt that he will make the Democrat the best Democratic paper in Lozerne county.

H. R. A. M.—The grand officers of the Grand Lodge of Holy Royal Arch Masons of Pennsylvania made a grand visitation to Danville Chapter, No. 239, on last Friday. During the day they were escorted through the Insane Asylum, and 'o several other places of interest. In the evening the work of the Order was illustrated in full, there being several candidates, after which a magnificent banquet was enjoyed at Richl's. Many visiting companions were present from Bloomsburg, Catawissa, Watsontown and Sunbury.

On Wednesday of last week, while Sheriff Fornwald was absent from home attending to his official duties, Mrs. Fornwald discovered that there was something unusual going on inside the jail walls. She said nothing, however, side the jail walls. She said nothing, however, pristingered until about eleven o'clock at night, when, comGreenwood, ing to the conclusion that her husband would not return that night, she sent for Chief of Police Woodward, Deputy Sheriff E. B. Bidlema & not being at home. On entering the cell in which Thomas Benson and Richard Griffiths were confined Mr. Woodward observed a blanket fastened up on the side of the cell. On pulling it down he discovered a hole in the wall large enough for a man to crawl through. It opened out on the kitchen roof, and but for the presence of mind of Mrs. Fornwald the prisoners would undoubtedly have escaped, as they were evidently waiting for the house to get quiet before taking their departure. They were handen ed and put in more secure quarters. Benson and Griffiths are both awaiting trial at September Court, one for largeny, the other for deserting his wife.

SHOT THROUGH THE HEART-A DAY'S SPORT AND WHAT CAME OF IT. On Monday morning John Cook was at work oading cars between Ashland and Centralia. Michael Brennan came along and showed him a \$10 bill, and asked him to go and get a drink with him. They went to several places and with a man named Joyce came to the hotel of William Roeder, in a village on the outskirts of

Reaching the road in front of the house, they turned and began stoning the house some of the stones going through the windows and hitting nembers of the family. Roeder called to his daughter to run up stairs and get his revolver, but she returned and said she could not find it he then got his revolver and a carbine; at this ralization will call on W. J. They then advanced rapidly towards him hurling stones at him all the while, when Roeder again grasped his carbine, took deliberate aim at the leader of the gang, Michael Brennan, and shot him through the heart. Brennan fell dead in the road, Joyce t ok to flight, and Cook was arrested after a struggle, taken to the lock-up in Ashland, and subsequently taken to prison in Pottaville. Roeder then went to Pottaville, made a statement of the facts of the shooting. and gave himself up to the officers of the law He is known as a quiet, inoffensive man, while his assailants were notorious ruffians and villains. We trust that all differences in the party in that county will now be buried, and that every true Democrat will do his utmost to elect the county ticket and get out a full vote for Tilden and Hendricks. A Double Danger Averted. The inhabitant of a malarious region is threatened by a double danger. He is not swallow it, since it infects not only mosphere, but the water. The aerial poiso threatens his system through the lungs and pores, the liquid through the stomach. Against this double peril there is stomach. Against this double peril there is but one protection, and that is to invigorate the entire body through the digestive and secretive organs. Ordinary tonics usually fail to accomplish this—Hostetter's Stomach Bitters never. In the tropics, where the diseases originated by malaria are of a far more malignant type than those originated by the same cause in the temperate zone, it enjoys immense and constantly increasing sales, and there is no portion of this continent where it is not the reigning specific for miasmatic fevers and disorders of the sto-mach, liver and bowels, proceeding from malaria and other causes.
