

Humorous.

It comes the New Orleans Republican that Charles Ross will soon be big enough to find himself.

A retired physician who has gone into the green grocery line throws in a prescription with every dozen green cucumbers.

A young lady in Youngstown, Ohio, a few days ago received from her disengaged lover a letter covering fifty-two pages of foolscap. The girl still lives.

An old bachelor having been laughed at by a party of pretties, told them, "You are 'small potatoes'!" "We may be small potatoes," said one of them, "but we are sweet ones!"

Expensive habits: "Please, miss, I want a penny smoke?" "We have no penny cigars, but you can have one at three-half pence."

"He knows on which side his bread is buttered" is now rendered, "He is aware on what portion of the staff of life the oleaginous portion of the dairy is dispensed."

KIDNEY COMPLAINT.

Probably there is no complaint that affects the human system which is so little understood as the complaint known as kidney disease.

There is a medical science which has proved itself more valuable in cases of kidney complaints than the Venetian.

The following extraordinary case of great interest has been given up by the best physicians as hopeless.

It is indeed, a valuable medicine, and if I should not allude to it in the same way I would give a dollar a dose.
