The Williamsport San waxed enthusiastic over the election returns, and displayed no less than twenty four roosters at the head of its columns and also about a dozen and a half finely assorted woodcuts, expressive of triumph and general satisfaction.

The election in Bloomsburg was warmly contested and resulted in the success of the Republicans by two votes. As will be seen by the figures the total vote was the largest ever cast, amounting to 770. There was much excitement during the day in the neighborhood of the polls, but no disturbances arose, and no ill-will was manifested by either party.
