Judge Black has written a long opinion tunity. Published by Norman L. Munro & concerning the Presidential complications Its main points are that "there is a remedy in the constitutional power of the House acting by and for itself, to scrutinize paper purporting to be the votes, and to reject any hat may be proved traudulent." This pow er, he says, exists whether the twenty-secon joint rule is in force or not, and it is ample for the purpose. A fraudulent electoral certificate, no matter how attested, is a nullity, a piece of blank paper, and to be treated as such. The power to choose a President, when there has been no constitutional elec-Wednesday of last week and were fargely at- tion by the people, necessarily implies and includes the power to ascertain whether there has or has not been such election This the House must do for itself. The the mortgages are now being recorded in the bas the power to count the votes, as well as house. One or open them, Judge Black characterizes as
