The dwelling house of Hiram McHenry, at Stillwater, was entirely destroyed by fire on Monday morning last. The fire broke out at about ten o'clock and was caused by a detective flue. Mr. McHenry saved all of his furniture and effects except a few articles in the cellar. The house was of frame two stories in heightand had been not long before placed in thorough repair. Loss not known.

Dr. Brower, of the Danville Record comment ing on some recent actions of the State Legisla-ture, says; "They defeated a resolution giving themselves each a copy of Purdon's Digest, but after enjoying the rare luxury of public approval for two days, they quietly reconsidered it, passed it and gobbled the books! What next?" Why, the truth would very properly come next, Dr. The Legislature didn't "gobble" the ooks, because the resolution was killed in the lenate, and the volumes were not forthcoming.

Pain in the Breast.

Kantz P. O., Sayder co., Pa., July 9. This is to certify that I have been afflict ed with pain in the breast, accompanied by a severe cough for nearly five years, which has brought me so low that at times I was unable to do anything. After having trie all the various medicines I saw advertised without the least benefit, I was induced b a friend from Danville to give Dr. Wistar's Balsam of Wild Cherry a trial. The first bottle gave me almost immediate relief, and I was soon enabled to do a good day's work. I cheerfully recommend this article to the oublic as a safe and efficacious remedy for liseases of the lungs. Conrad Kantz. 50 cents and \$1 a bottle. Sold by all drug

THE GREATEST IMPROVEMENT OF THE AGE

-Farmers are invited to call at Huber's Foundrs. Danville, Pa, or on the Agents and examine the improvement in Plows over the old style of fastening the shares with bolts. In the old style the bolts would become loose, the shares would work and as the entire bearing of the share would be on the mould board, the Plow would always be loose, the bolts would rust fast, rendering it quitedifficult to screw the bolts up. In the improvement all this is over come, having a lug on the back part of the share which fits into a slot of the mould board and the land side is dovetailed into the cutter part of the share. A lock on the land side fit ting into the beam, and two bolts through the land side is all that is required to make it the most complete array gement for fastening on the Paul were neither tardy nor absent for share ever yet discovered. What The President OF A BANK

SAYS

A JUST VERDICT. I have dispensed Hass! Expectorant among my patients, and it has proved more efficacious than any other medicine of its class that I have been using it my medical career. And even in my own case, in very obstitute patinomary diseases. I derived the greatest benefit from the Expectorant, I have always been very repugnant to the use of any secret mostrums or patient medicines, but the universal reputation of the Expectorant has induced me to give it a fair trial, and not only have I realized the reputated virtues and meetls, but even more than my most sarguine expectations. I forling that every one may convince himself by also own trial, and that the Expectorant may reach the thousands who may be benefited by fixed.
