A correspondent at Unityville, Lycomin. Co. writes us as follows:

John W. Thompson, the adopted son of Laeyette Unger, aged 10 years and 7 months, was ornt to death on Friday last. His mothe went to see a neighbor, and left him in the yard playing. Returning in about an hour she missed him. He was found about one hundred yards from the house, with all his clothes burnt off, and dead. It is supposed that he put wood in the stove, that in some manner his clothes caught fire, and that he then ran to find his mother. The funeral services were held in the Wesley Chapel M. E. Church near Unityville, on Sabbath last, and were witnessed by a large concourse of people. The sermon of the occasion was preached by the Pastor Rev. A. S. Freed.

A frightful crime was committed in Wilker Barre on Sunday evening last, at the house of Edward Balliott. Four ruffians forced an enrance into the house assaulted and outraged Mrs. Balliott, her niece Miss Dellia Frantz and Maggie Monaghan a servant, knocked down an old man named George S. Wildrick who cam to their assistance, and then ransacked the ouse. Mr. and Mrs. Balliott were formerly residents of this county and Miss Frantz is laughter of Michael Frantz of Berwick. Three of the scoundrels, Frank M Johnson, J. Washburn and Henry Chahoon were arrested and

committed to jail, to answer the charge of assault and battery, rape, and robbery. Wilkes Barre owes it to the community to see that prompt and ample justice is meted out in this ease, for it is a blot on the good name of the city that such crimes should take place within its limits, but it will be far worse if punishment does not follow. The three women are suffering fearfully from their brutal treatment.

We, the Grand Inquest of the Commonwealth quiring for the body of Columbia County, reectfully report that we have pursuant to our equired duty calmly and deliberately investigated all bills of indictments presented for our consideration at this time and have passed upon them according to their merits. We have exam ined the Public Buildings and find the Jail cle n and in as good order as a building of that agcould be expected.

We find the cistern, pump, wood house and kitchen hearth out of order, and recommend that they be repaired and fire-boards placed in front of the chimney.

In regard to building a new Jail we earnestly remonstrate against building it upon any other ground than that now occupied by the old one All of which is respectfully submitted. P. H. FREEZE, Foreman.

The Colossal Bronze Statue of Victory which stands in the Park, at Lowell, before the tramb of the first soldiers that fell in the revolution, one of the first objects sought by strangers visiting our sister city, which indeed many visit purposely to see this elegant object of high art It was obtained from the King of Bavaria by Dr. J. C. Ayer, to whom his majesty was especially gracious in acknowleds ement of what his remedies are reputed to have done for the suffering sick. It was donated by the Doctor to the City of Lowell as a permanent and speak ing emblem of the victories both of Science and Arms. - Hayerstown (Md.) Press.
