HEAVY FIRE IN MILTON: LOSS FORTY THOUSAND DOLLARS.

On Wednesday last, about noon, an alarm of ire was sounded and the steamer was got out as oon as possible. The fire proved to be at the aw mill of McCleery, Newhard & Co., above own, and before the steamer could reach the spot the mill was one sheet of flames and beond the hope of saving. The attention of the remen was then turned to the large piles of mber stacked up in the yard, and an effort was made to stop the progress of the flames in that direction, but it was a vain effort. The wind blew directly toward the lumber from the mill, and though the firemen worked hard for hours yet they were unsuccessful, and the lum-ber was all consumed. In the meantime the Fisher Hook and Ladder boys (who were first n the ground) had not been idle. They had their ladders up at all the exposed hor

It is estimated that there was nearly twenty housand dollars worth of lumber destroyed and the mill and mackinery was worth twenty housand more. On the mill there was an in prance of only eight thousand dollars, and there was no insurance at all on the lumber. August Flower.

The most miserable beings in the world are those suffering from Dyspepsia and Liver Complaint. More than seventy-five per cent of the people in the United States are afflicted with these two diseases and their effects; such as Sour Stomach, Sick Headache, Habitual Costiveness, Palpitation of the Heart, Heart-burn, Water-brash, gnawing and burning pains at the pit of the Stomach, yellow skin, coated tongue and disagreeable taste in the mouth, coming up of food after taste in the mouth, coming up of food after eating, low spirits, &c. Go to Moyer Bros., and get a 75-cent bottle of AUGUST FLOW-ER or a sample bottle for 10 cents. Try it. Two doses will relieve you.

they stimulate the digestive organs and Ayen's Phils have been known for more than a quarter of a century, and have obtained a world-wide reputation for their virtues. They correct diseased action in the several assimilative organs of the body, and are so composed that obstructions within their range can rarely withstand or evade them. Not only do they cure the every-day complaints of every-body, but also formidable and dangerous diseases that have builled the best of human skill. While they produce powerful effects, they are, at the same time, the safest and best physic for children. By their aperient action they gripe much less than the common purgatives, and never give pain when the bowels are not inflamed. They reach the vital fountains of the blood, and strengthen the system by freeing it from the elements of weakness.
