On! for some dead, unburied, dead...

For a home, bid, not a home, bid...

I'd choose a home by Erin's way...

By the cannon have the soldiers' blood...

How fair that shanny lies around!

That white expands to scan it over!

I love a shiver with a roar—

I mean a river with a roar!

Romantic Erin's sea-geet land!

How sweet with you you love the most...

To wander forth where my fate took...

And come upon a tiny gem!

No! no! I mean a gem!

On that retirement lone I would...

Pursue some rustic industry...

And make myself a boiling tea—

No! no! I mean a boiling tea!

Or, sweet with your fond wish to sit...

Outside your door at daylight's close...

White she's hard knitting at your nose...

I mean hard knitting at your nose!

Perhaps on early eve you brood...

White sympathy her sweet face shows!

'Tis good to walk upon one's toes—

I mean to walk upon one's toes!

And how you watch that fairy shape...

The summer moon, thy tender eyes...

Admiring such her laugh of scorn—

No! no! I mean a scart of lawn!

A DREAM-LOVE.

By HEINE.

Say, love, art thou not a vision?

Speak, or I to know were fain—

Such as summer hours Elysian...

Breath within the poet's brain?

NAY, a mouth of such completeness,

Eyes of such bewitching flame,
