Miscellneous. FORMATION OF COAL. _

BY JULES VERNE, IN "BLACK INDIES."

nary;

Cancer, Cancerous Humor. The marvelou effect of Vegetine in case of Can e and Cancerous Humor challenges the most pri-ound attention of the medic-d facelity, many of whom are prescribing Vegetine to their patients. Vegetine has never failed to cure the most inflexi ble case of Canker. Mercurial Diseases. Vegetino "eets with wonderful success in re of this class of diseases.

salt Rheum, Scald Head, &c., will certainly be great alerative effects of Vegetine. he has never failed to cure the most inveta of Erystpelas.

Reason should teach us that a blotchy, rough of olmpled skin depends entirely upon an interna-suse, and no outward applicatin can ever cure the lefect. Vegetine is the great blood purifier. Tumors, Ulcers or Old Sores

For this complaint the only substantial benefit car e stained through the blood. Vegetine is the great

Vegetine does not act as a cathartic to debilitate the bowels, but cleaners all the organs, enabling each to perform the functions devol-ing uoon them

Vegetine has restored thousands to health who have been long and painful@sufferers.

If Vegetine is taken regularly, according to dire-tons, accrtain and speedy cure whil follow its us Faintness at the Stomach.

Vegetine acts directly upon the causes of these complaints. It invigorates and strengthens the whole system, acts upon the secretive organs and alloys inflammation.

VEGETINE

Vegetine is sold by all Druggists.

BISHOP HEBER'S ARCHERY SONG.

American Families

In an old volume of "Notes and Queries" we find

the following spirited song, by Bishop Heber, for a Bow Meeting, near St. Asaph, seventy years ago. Resides the interest attaching to this follocing by-ic in connection with the revival of archery in this country, it is also, by way of contrast, very notable as the production of the author of "From Greenland" icy mountains," the well-known missionary hymn.

The Soldier loves the laurel bright, The Bard the myrtle bough, And smooth shillslahs yield delight To many an Irish brow. The Fisher trims the hazel wand, The Crab may tame a shrew, The Birch becomes the pedant s hand,

The yew, the yew, the hardy yew ! Still greenly may it grow, And health and fun
