Harry Hillmyer broke a bone in his wrist last Monday while practicing on the parallel bars at the Normal School. Boys should be very careful when indulging in this exercise.

When "Nicky" gets himself full of poison he makes too much music. Chief of Police Sterner furnished him with a lodging in the lock-up last Tuesday night for disorderly conduct on the streets.

We have received the first number of the Lewistown Academy Bulletin. The school appears to be in a flourishing condition. Mr. W. H. Schuyler formerly of Bloomsburg is the Principal.

It is a mistake to suppose that Decoration day was not duly observed at this place. Mrs. M. P. Lutz kindly furnished the necessary flowers, and, despite the rain, two gentlemen proceeded to the Cemetery, and strewed flowers up on every soldier's grave.

A great noise is made when a member of the Council who owns stock votes for a contract to light the streets with gas. How is it when a member draws \$30 for the services of a \$50 horse for one month's work on the roads?

BOAT AND SHOE-SOLE PROTECTOR.—Glass boots are now working in foundries, glass hose, coal mines, &c. It will be of interest to learn that Mr. A. F. Schuyler, of Allegheny City, has perfected and secured by patent his Boat and Shoe-Sole Protector. For sale at the shoe stores. See advertisement in this paper.

FATHER STACK'S CASE CONTINUED.—On Monday last the Supreme Court decided to continue the case of Bishop O'Hara's appeal. This case is that of Stack v. O'Hara, brought about by the attempted removal of Stack from his parish by the bishop. It was decided in Stack's favor by the Lycoming county court some two years ago, and is now brought before the supreme court for final decision.

Some days ago the Jerseytown Band went fishing up the creek. They took their "horse" along, also Charlie Stoeck, the popular hand leader and organizer. One fish was caught, but the majority of the band prevented them from bragging about it. But it was a pleasant drive, and they enjoyed the excellent music given along the route. The Band deserves popular patronage.

Rev. Prof. Conant of the German Theological School in Dubuque, Iowa, is to preach in German next Sunday evening in the Presbyterian church. Those who enjoy their religious teaching best in German will doubtless all attend, as German preaching is a rarity in Bloom.

The National Record of Danville has again changed hands. E. E. Orvis Esq. of Bloomsburg is the editor for Columbia county. The paper wears a patent outside the local news seems to be confined to Danville and vicinity. We cannot endorse the doctrine advanced in this paper, we hope the new management may succeed peculiarly.

A recent number of the Northumberland Democrat contained an article speaking in complimentary terms of our representatives Messrs. McHenry and Brown, and others. These gentlemen are credited with always being in their seats unless unavoidably absent, could be relied upon in every emergency, and were always found voting not only for a reduction of salaries, but upon all occasions for what they believed to be the interest of their constituents and of the Commonwealth.

Paul E. Wirt Esq. was unanimously elected by the Town Council last Monday evening to fill the vacancy caused by the death of his father. This action of the council was in accordance with the expressed wish of the citizens, and meets with hearty approbation. Mr. Wirt is in every way qualified for the position of Secretary, and his office is convenient to the council room so he can always be found when wanted. We congratulate the authorities on their selection.

OUR SCHOOLS.

About eleven years ago a Board of School Directors of this place decided to set aside a fund for the purpose of erecting two large and substantial School Houses, to replace the rocky and unhealthy sheds that were in use at the time. Of course there was much opposition from a class who oppose all improvements, but the majority of the Board persevered, and to-day we have two of the finest school buildings in the State. On last Wednesday our common schools closed, and as usual, entertainments were given to the public. The rooms were crowded by parents and friends of the pupils.

The programme consisted of music—vocal and instrumental, recitations, dialogues, &c. The selections showed the good taste of the teachers, and the execution was unusually good. In fact the gymnastic performances of the little ones showed an astonishing memory for details, and as perfect times as the drill of a battalion of veterans.

While witnessing the exercises, we were struck by the fact that the children of twenty five years ago, and the present. Then we had rudely built school houses, rough benches, bad text books, and the average teacher was coarse and illiterate.

We have fine buildings the rooms which are light and airy, and decorated with flowers and pictures. The children are instructed in the use of the pen, and the fault of the pupil if he does not obtain a sound education. One word more: parents and directors should visit the schools more frequently. It is a check on both management, and an encouragement to both teacher and scholar.

Hon. F. L. Shuman and Mr. Reuben Shuman had a narrow escape from serious injury on Sunday morning last, by being thrown from a buggy caused by a runaway horse. They were driving along the road in the vicinity of Parr's Mill in Franklin township, when the horse became frightened and sprung out of the harness, and the buggy overturned, the buggy and spilling its occupants, and then running over to the other side of the road, up the bank and tearing through a space of about four feet between a school house and a rail fence, throwing down several panels of the same. When the gentlemen were thrown out, Mr. Reuben Shuman was driving, and thinking he could stop the horse, he held on to the lines and was dragged across the road together with the buggy. Fortunately he let go the lines before the horse struck the fence, but not until he was cut and bruised considerable about his head and face. The Hon. F. L. Shuman escaped with a cut on the knee and sprained back. The buggy was a total wreck and when the horse stopped he was in a field and entirely disengaged from the buggy. Columbia Item.

On Monday night last at about eleven o'clock, William Peacock, an old and respected citizen of this town, died at his residence on Fifth street, aged about seventy-seven years. The death was unexpected, as Mr. Peacock on Saturday preceding was up town attending to his business, though for several months past he has been suffering from a complication of diseases. His death is supposed to have been produced by a rupture of a blood vessel in the chest. There was no duplicate. Here was a dilemma. Three full grown ladies, two children, and an editor in a darksome jail on Tuesday evening, without the aid of a lawyer, and a clergyman recommended it. It is absolutely certain in his remedial effects, and will always cure without the aid of a lawyer.

JAIL ESCAPE.—On Tuesday evening an editor of this place took his wife, her female cousin, and his two children to the county jail, (the one) to show them the curiosities. The scene in the jail was behind the iron gate, and they were shown the cells now occupied by Hester, Tully, and McHugh, the place and manner of their execution, and other interesting details. On attempting to get out it was discovered that the key was broken. There was no duplicate. Here was a dilemma. Three full grown ladies, two children, and an editor in a darksome jail on Tuesday evening, without the aid of a lawyer, and a clergyman recommended it. It is absolutely certain in his remedial effects, and will always cure without the aid of a lawyer.

Mr. Peacock came to this town from Light-street about fifty years ago; and has since occupied the position of book keeper with Kely, Neal & Co., and with I. W. McKelvey since the dissolution of that firm. He was President of the Mutual Building and Loan Association, one of the Managers of the Gas Company, and was identified with many other institutions and enterprises of the town. His general look placed on Thursday morning at 10 o'clock from his late residence. The services were conducted by the Odd Fellows, of which he was a member of high standing, the Knights Templar acting as an escort. A large concourse of citizens followed the remains to Rosemont Cemetery where the burial took place.

THE NEW DOG AND SHEEP LAW. An act for the taxation of dogs and protection of sheep in this Commonwealth was passed by the Legislature of 1878. It contains ten sections, and the following is an abstract of its provisions: SECTION 1 provides for a tax of fifty cents on each male dog and one dollar on each female dog, to be collected and paid to the county treasurer, who is to keep a separate account of the amount received from each district.

SECTION 2 provides that the assessor shall prepare a statement of the dogs kept by persons in their district, with the names of the owners. SECTION 3 provides that persons having sheep killed by dogs shall make complaint thereof to a justice of the peace, stating when, where and by whose dog the damage was caused, whereupon the justice shall summon the owner of the dog, and if he does not appear, and write the law, the justice shall appoint three persons to appraise the damage, which is to be paid out of the sheep fund by the county commissioners and afterwards to be recovered of the owner of the dog, if he be known. If not known the payment of the loss is to be made from the sheep fund.

SECTION 4 and 5 provide for the payment of the cost of the recovery of the sheep from the owners of dogs causing the loss. SECTION 6 provides that all dogs in this Commonwealth shall hereafter be personal property, and their owners shall be liable for the damage they do, and for the costs and attorney's fees for collecting losses if suits have to be carried into court.

SECTION 7 fixes the fees of justices of the peace and appraisers under the act. SECTION 8 provides that at the end of the year the sixth "sheep fund" in the hands of the county treasurer over two hundred dollars, after providing for the payment of its claims, shall be distributed proportionately among the school districts of the county.

SECTION 9 provides that this act shall not repeal the provisions of any existing special laws in relation to the same subject. SECTION 10 provides that this act shall not go into effect in any county until the act has been published and a voting to be "for the sheep law" and "against the sheep law." No election is to be held until the act has been published and a voting to be "for the sheep law" and "against the sheep law." No election is to be held until the act has been published and a voting to be "for the sheep law" and "against the sheep law."

WHERE TO SPEND THE SUMMER. What man with a family having once been crowded into some small "sky parlor" or the bottom of all known places—strangers—or has been continually jostled and jostled by the metropolitan throng that frolics along in dust and dirt on Long Branch, but that had never again to repair to summer resorts. And yet with each returning season, comes the query where shall we go? Since last season a new commodious and elegant Hotel has been completed and furnished by Dr. E. V. Pierce, in Buffalo, N. Y., at a cost of nearly half a million dollars. It has no equal on this continent. It offers many advantages for the tourist, pleasure seeker, or those in search of rest and relaxation from the cares of business, and the like. Its accessibility, its cool, bracing and salubrious climate; its thermometer range in summer from 65 to 75 degrees Fahrenheit. The attractions of the Hotel and its environs resort for those in search of relaxation and rest. Located on a bluff overlooking the city of Buffalo, Lake Erie, Buffalo Bay, and Niagara River, it rapidly winds its way between island and hills to the great Cataract just beyond, it affords one of the finest of American views. Add to this the fact that the Hotel is managed by Invincible and Tourist Hotel, Buffalo, N. Y.

CURIOUS MUSIC.—The finest music provided by any church in the country is to be heard on Sundays and holidays at St. Francis Xavier's in New York. Its organ and its choir are alike famous, and its services are crowded by both the religious and the critical. The credit of this superb performance belongs to the organist, Professor Wm. Berg, music director, who but a little while ago, ruptured an artery in his arm and had to abandon his profession until aided by Giles' Liniment, sold by pamphlet. Sold by all druggists. Send for pamphlet. Dr. GILES, 461 Third Avenue, N. Y. Trial size 25 cents.

THE DANVILLE CHORISTERS.—We always appreciate home talent, and should have mentioned the performance of this troupe at the Opera House sooner, but the matter was neglected. It would be unfair to particularize any singer where all did so well. The programme was one of the best we have ever seen. We regret that we were not able to attend, but the mass of our citizens are poor, and cannot afford to pay for even good music. We wish the "Choristers" success in the future.
