

THE COLUMBIAN. BLOOMSBURG, PA. Friday, July 13, 1878.

STATE TICKET. FOR GOVERNOR, ANDREW H. DILL, OF UNION COUNTY. FOR SENATE, HENRY P. ROSS, OF MONTGOMERY COUNTY.

THE LAST AND BEST OFFER. The undersigned, owing to the hard times, have concluded to lower the price of subscription.

THE PRISONERS' ASSOCIATION. One of the most interesting events at the Wyoming Centennial was the meeting at Wilkesbarre on July 24 of the National Union of the Survivors of Andersonville.

WASHINGTON LETTER. Washington, D. C., July 9, 1878. On Wednesday the 10th, the Potter Committee will continue the examination of witnesses here.

THE TRUTH ABOUT IT. Andy Dill, our nominee for Governor has been assailed by the opposition of being a "corporation man."

THE MILK IN THE COCKNET. Some weeks ago we did the "Nationals" the favor to print their local tickets as supposed would be used up.

Regarding the Andrews. De Foy is now a wretched specimen in favor of Dill well as Andrew Hain.

Another installment of workmen will leave for Brazil in a few weeks to assist in the construction of the railroad being built in that country.

It is a little curious to notice that Germany has outstripped Ireland in the work of filling up the empty places in this country.

That a remedy made of such common, simple plants as Hops, Buchu, Mandrake, Dandelion, &c., should make so many and such marvelous and wonderful cures as Hop Bitters do, with old and young, rich and poor, Pastor and Doctor, Lawyer and Editor.

THE EUROPEAN WAR. The Berlin Congress of the great powers has arrived at a definite settlement of the questions involved in the San Stefano treaty.

How They Flocked to Wilkesbarre. President and Mrs. Hayes and Governor and Mrs. Hartranft. The Presidential party will leave here early in the morning for Washington.

THE CATSKILL RAILROAD. At this season of the year a trip over the Catskill railroad is delightful. From Williamsport to Catskill the road runs through a rich agricultural country.

Candidates. The following persons have been proposed for nomination for the next bi-monthly county convention to be held August 15th, 1878.

NEW ADVERTISEMENTS. NOTICE OF INQUEST. To the heirs and legal representatives of Mary Corbett, deceased, the undersigned, J. H. BROWN, Esq., County Clerk of Columbia County, do hereby certify that the said Mary Corbett died on the 10th day of August, 1877.

Pleasant Township, Columbia County, Pa., deceased, have been granted by the Register and Recorder of Columbia County, Pa., to the undersigned, J. H. BROWN, Esq., County Clerk of Columbia County, Pa., and to the undersigned, J. H. BROWN, Esq., County Clerk of Columbia County, Pa., and to the undersigned, J. H. ADMINISTRATOR'S SALE OF VALUABLE REAL ESTATE. By virtue of an order issued out of the Orphans Court of Columbia County, the undersigned Administrator of John Koons, deceased, will expose to public sale at the hotel in the borough of New Columbia, Pa., on Monday, July 29th, 1878, the following described real estate to-wit:

THE NEW LACTAL LAW. The following law was passed last winter, and was signed by Governor Hartranft on the 25th of May. It is therefore in running order now, and dairymen should govern themselves accordingly.

AN ENTERTAINING REPORT. There was a picnic in Eby's Grove, near Dayton, Ohio, one day. Some of the young men wandered down the river. In a clod of mud they discovered a pile of female clothing. They looked into the river for a sign of life or death, but saw nothing.

It is a little curious to notice that Germany has outstripped Ireland in the work of filling up the empty places in this country. The official statistics of immigration for the last thirty years show that those countries have furnished more than 2,000,000 immigrants each, that Germany is more than 100,000 ahead of Ireland. It is estimated that each adult emigrant is worth to the country at least one thousand dollars.

Another installment of workmen will leave for Brazil in a few weeks to assist in the construction of the railroad being built in that country. It seems impossible that a remedy made of such common, simple plants as Hops, Buchu, Mandrake, Dandelion, &c., should make so many and such marvelous and wonderful cures as Hop Bitters do.

This evening Mrs. Hayes was given a card reception at the residence of Charles Parsh. It was a full-dress affair, and several hundred invitations were out. At 11 o'clock the general company retired and a supper was given to a select few, including the

President and Mrs. Hayes and Governor and Mrs. Hartranft. The Presidential party will leave here early in the morning for Washington. The display of fireworks kept many on the streets till late, but at midnight the first indications of quiet for three days are manifested. Thousands went home in the afternoon trains and comparatively few remain in the city.

THE CATSKILL RAILROAD. At this season of the year a trip over the Catskill railroad is delightful. From Williamsport to Catskill the road runs through a rich agricultural country, and the waving fields of golden grain, now ready for the sickle give promise of an abundant yield. The farmer is the busiest man in the land. The road is in splendid condition, the ballasting having become as solid as a rock.
