(COMMUNICATED.) JACKSON, July 16, 1878. To the Editors of the Columbia County:

Since my name has been announced as a candidate for the office of County Commissioner, a candidate for the same office on this side of the river, has been circulating a report that I have absented myself from several meetings of the Board of Commissioners upon the jail question in order to shirk my responsibility, and throw the blame upon the majority of the commissioners. It is to me to make a statement of the facts in the case running the risk of raising the animosity that existed in the board a year since—justice to myself demands it.

My course upon the injunction is too well understood to have much advantage taken of it. After the injunction was granted, I went to the office and ordered the clerk not to put the jail tax in county duplicate. He said, as it had been ordered, one of the board could not change it. The jail tax was then put in a separate column from the county tax. I thought then the jail would not be built and the tax need not be collected. I informed the collectors that I gave county duplicates to, not to collect the jail tax until further orders. Also that the jail would not be built if I could prevent it. It is well known through the county that our regular stated meetings are on the first Monday of the month. The minutes of July 21, 1877 of the commissioners show that I was there, and the business of the office attended to. Issued orders No. 274 and 280 on bills approved; adjourned. After we adjourned the collector of some distance from the office on 7th. He said he understood it was being collected in Catwissa. In a few moments I saw him and Mr. Hermer talking. I opposed it. He intimated to me that the jail might be built yet. I suggested to him to wait, the Grand Jury might now recommend repairing the old jail, and to build an addition to it. I said to him, at that time, I want you to understand I am opposed to collecting the jail tax or building a jail. The minutes show Messrs. Hermer and Sands the next day at the office—some business attended to—nothing said about building jail at that time. It is understood that Mr. Sands wrote a letter to Mr. Hermer on 5th (Thursday) that he should come to the office on 7th. He said I received a postal card the next week from Mr. Sands dated the 5th to be at the office the 7th. Any person acquainted with the mail route and my living about four miles from the post office, it would be by particular arrangement to get it in so short a time.

I will now give part of the minutes of July 7, 1877.

In the Court of Common Pleas of Columbia County No. 1, May Term 1877. In Equity. The commissioners of Columbia county submit the following proposition. 1st. We will abandon the proposal to erect the prison on the Parnell lot on Market street. 2d. We will rescind the contract and the letting of the said new prison to Charles Krug under his bid heretofore announced. Signed JOHN HERMER, J. E. SANDS.
