YOU CAN BE HAPPY

If you will stop all your extravagant and wrong notions in doctoring yourself and families with expensive doctors or humbug cure-alls that do harm always, and use only nature's simple remedies for all your silments-you will be wise, well and happy, and save great expense. The greatest remedy for this, the great, wise and good will tell you, is Hop Bitters-believe it. See another column.

It is amusing to hear with what confidence the different Democratic candidates count on their nomination, by their party, on next Monday. The two candidates for assembly are confident they will be the choice of the convention. We know there is a third candidate, Esquire Phillips.—National Record.

An Appray.—On last Saturday evening, during the progress of a Republican delegate election at Rupert, Hervey E. Smith concluded it would be a good opportunity to repeat that speech, and thereupon mounted the hotel porth and proceeded with his oration. It must have been communistic and inflammatory, because a row ensued. Smith escaped undurt, but a while our party friend had his greenback ideas knocked out of him by a clip under the ear. He is anxious to interview the man who did it. Our advice is to join the Democrats, as neither Republicans nor Smith's men behaved themselves.
