After October 1st 1878 all subscribers who owe from October 1st 1875 will be struck off the list, and the accounts collected by law at the covery is alleged to have been made ten days tf. rate of \$2.50 a year.

the new county scheme.

What is the use of fish laws when a grand \$7,000, signed "Catharine Bryson." When press" jury will not see that they are enforced. There ed for payment, which was long since due, Mrswere several clear cases presented, but the bills were ignored. Grand juries seem to labor un- did not sign or authorize any one to sign any such der the impression that it is their duty to try cases, not to send them in court for trial.

The colored camp-meeting at Rupert was largely attended on last Sunday, although of Ashland, and bound over in the sum of \$7,-the crowd would have been doubled if trains 000 to appear at the September term of court. had been run. The utmost order prevailed on Colonel Joseph Freck, Mr. George McElhenne, the grounds. The meetings still continue. Lack of space prevents a fuller notice this week.

The Williamsport Gazette & Bulletin has changed proprietors, Hon. Jacob Tome of Mary-land, and Col. J. Salade of Williamsport having purchased it. The editorial and business management remain the same. It is a good paper, barring its politics, and we wish the new

Spite of all the complaints about hard times, it is said that the sea shore and other summer resorts have been more largely patronized dur ing the past summer than ever before. Thousands of people went across the sea to attend the Paris Exposition. Evidently somebody has

We notice with pleasure the renomination of Dr. R. S. Simington of Danville for Associate Judge of Montour county. Dr. S. has been on the Bench for the past five years, and his uprightness, and sound judgment have satisfied the people that he was the right man in the right place, and they wisely concluded to keep him there. He will undoubtedly be reelected, by a large majority, being popular with all classes.

The Legislative Commission appointed to se-lect a site, prepare plans &c., for a new penitentiary for the Middle District, organized in Philadelphia on the 30th ult. The next meeting will be held at Harrisburg on the 23d of September. We have already suggested Blooms burg as a desirable location. Efforts should be mine was so situated that water could not be made to call the attention of the commission to introduced to flood it, nor was smothering by our advantages.

BUSINESS BEERS.—This notorious scamp was arrested at the Rupert camp meeting on last Sunday on the charge of having committed a rape on — Musselman. The act is said to have been witnessed by a large number of boys. He was promptly arrested and lodged in jail. On Wednesday last the Sheriff brought in jail brought in the sheriff brought in the sheriff brought in jail brought in the sheriff b him to the Court House, but while in the Com- new fuel. It is estimated that fully 500,000 missi... yrs' office on the pretence of getting bail, he managed to escape,---walked quietly ing mine. The town of Pittston would in time Exchange Hotel-took and paid for a drink then leisurely made his exit through the rear of the hotel. In about five minutes his absence mas discovered. The hue and cry was raised, and after considerable search he was found hid in I. W. McKelvy's barn. He was promptly handcuffed in spite of his protest and lodged in a cell.

cumstances would be called a startling case of torgery, creates but a simple ripple of exciteseines. ment in these days of bankruptcy, forgery and swindling. A seven thousand dollar forgery appears to have been recently discovered at

Ashland, in connection with the late First Na- law. tional Bank of that place, and although the disago and the arrests made at the same time little

has been said about it thus far. Mr. Torrey, A. A. Chase, editor of the Scranton Daily late cashier of the bank, on the 16th of the pres-Times, was ridden in effigy on a rail through ent month, preferred charges of forgery against the streets of Scranton, and fired from the month John and Robert Bryson. The facts in the case of a cannon in the public square for opposing as alleged by outsiders, seem to be as follows : Among the papers, composing some of the as-

sets of the bank, was a two-months' note for

hibited (having it in his possession, though Bryson made an affidavit in which she said she not actually in use) is prima facie evidence sufficient to convict him of violating the law. note, all which she expected to be able to prove You see, therefore, that the Legislature, (and &c. This affidavit is signed "Catharine, her very properly too,) intended to cut up by the

days.

law.

X mark, Bryson," John and Robert Bryson ing fish from them in such a manner as to prevent of the Liniment. were arrested and taken before 'Squire Garner, the propagation of fi-hes and the supplying of and Mr. Black, of Centralia, became sureties for the accused, whom it is supposed will be tried at the next term of court. The affidavit upon which the arrests were made was signed by William Torrey, and stated that the subscriber

expected to prove that the accused were guilty of forgery. The Wyoming Seminary and Commercial

College has reduced its prices to meet the times, yet new furniture is being put into the rooms

It is one of the largest schools in the Country. The general expression among the students is that the school seems to them a home, made sacred by the kindness of its administration, and the cordial sincerity of its amenities. Its social and home-life is pervaded by an atmostphere of refinement and religion which cannot fail of a most elevating and ennobling influence on all

who dwell with in its presence. Parents should send to the Principal for a Catalogue. Instruction is given in Ancient and Modern Languages Natural Science, Mathematics, Music, Painting &c. The Commercial College has supplied an important want in providing a course of practical study for young men. Address Rev. D Copeland D. D., Kingston, Pa. A MINE THAT HAS BEEN ON FIRE FOR A YEAR

AND A HALF. An aband ned woman, driven from other

habitations, made her home in an otherwise unused strift of Butler colliery, near Pittston, Pa. The fire by which she cooked spread to the mine fully a year and a half ago. The steam successful. The fire threatened to extend

to mines of the Pennsylvania and Delaware and judges who are incompetent for a discharge of their duties, or are likely to be blased in their judgments, not having the stamina, in the presence of friends, to decide against them. Hence the dissatisfaction which so often follows the awards of the judges. The way to correct the evil is first, to place no man on the list of judges, without knowing his qualifications for the particular duty he is called upon to perform ; and 'second, to noiify through the crowd in the court yard to the have been burned under but for the barriers. him of the intention to do so and get either his Exchange Hotel-took and paid tor a drink. The land surface under which the fire has raged verbal or written consent to serve, with the rehim of the intention to do so and get either his quest that if any thing should happen to pre-
