MARINE DISASTER.

A loaded canal boat belonging to the Susquehanna Coal Co., was carried over the Nanticoke dam on Friday afternoon. It was in tow of the steam tog when it became unmanageable and the tug cut loose and saved itself. The boat passed over the dam diagonally and was not much injured. Two men, named Fox and Carter were upon it when it passed over. It will be uploaded and floated to Northumberland and put into the canal. There were two boats attached to the tug, one of which was nanned in a masterly manner by young Ruch of Berwick, who managed to land his boat a short distance above the dam .- Record of the

WHY WILL YOU

Allow a cold to advance in vour system and thus encourage more serious maladies, such as Pneumonia, Hemorrhages and Lung troubles when an immediate relief can be so readily at tained. Boschee's German Syrup has gained the largest sale in the world for the cure of Coughs Colds and the severest Lung Diseases. It is Dr. Boschee's famous German prescription, and is prepared with the greatest care, and no fear need be entertained in administering it to the youngest child, as per directions. The sale of this medicine is unprecedented. Since first introduced there has been a constant increasing device the paper of the paper of the paper of the question. The press has presented the subject in every possible light, and now the only thing that remains unanswered and interesting is the great Bulwerian question. What will be do with it? There is as yet no new light on these, questions, and their importance connected with the fact that they will not be answered for at least a mouth makes the debates very tediors. There is a very strong determination on the part of semination on the part of semination mot only of the outpet but of the debates.
