against the wind up the Beach to the fish erman's hut. Dorothy is waiting for them. Her out

stretched arms would wind themselves abou both, but the stern, fixed look in Ephraim's eyes restrains her, and Charles turns from her and fixes his glance upon the ground. It is a terrible moment for Dorothy, knows that they both love her, and she

takes possession of her soul. She speaks service he has done them. 'Spare me thy gratitude, Dorothy,' mmands, in the slow, solemn tone peculiar to his people. 'I know I have done thee a service. I would not hear of it again. I tried to nake thee swear an oath, Dorothy I am glad it was not spoken. Tell me now, though, dost thou love this young man? Wilt thou for swear thy religion, forsake the grabbed at him were brushed off like flies, taith of thy forefathers, and become one of

the world's people ?" Dorothy's eyes look toward Charles with mute appeal.

'He has saved both our lives, dear, answers the younger man in reply to her glances and he is worthy of your lave. Then his eyes seek the ground again. He has received his life from this man's hands, and now he will speak no word to rob him

of his dearest treasure. 'Speak, Dorothy,' Ephraim repeats. is for you to choose.'

Dorothy's voice is choked with tears, and her breast shaken with sobs, as she answers: 'It is very, very wicked of me, Ephraim

but I love him so !' Then she stretches out her helpless hands and the sweet lips whisper, 'Charles.' Only a single word, but it decides her life. In a moment she is in her lover's

arms, and for the second time that night nconscious.

The nobler man of the two goes unheed ed out into the storm to conquer his heartache alone.

touse and wishfully toward the river.

which means if we don't hurry, Graycoat will come out and catch us." Charles take

are on their way to the shore. 'But, Charles, see that cloud in the South If there were to be a storm ! "But there will not. Come,

The oars are lifted into the rowlocks Dorothy takes the management of the rudder into her little hands, and soon they are gliding over the smooth surface of the wa ter, leaving a track of silver bubbles behind them. It is a lovely evening. The misty shadows of twilight are gathering in the sat opposite, asked him why he cried. He East and in the West ; the clouds, blood-red naturally replied that he was thinking of

round their faces ; and waves plash against the sides of their little boat like low, mono nous music. Charles is talking about hi ity home, telling Dorothy about the aunt nd cousins she has not seen for a long time nd amusing her with stories of his college

why do you cry ?" asked the first victim days, and his efforts to make his way in his with savage delight in his tones. "Well," was the quick reply, "I am crying because rofession, which at first were so unsuccess you were not killed when your father ful. Neither of them notices that the breeze grows every moment stronger and fresher,
