ermined to make a grand effort to capture rious inconvenience in the performance of the cave and all the smugglers connected with It. He received trustworthy informa-'I had known and loved Jesse Holt, the tion that Allan Burt was to make an attemp to land goods on a certain night, and took

his measures accordingly. 'A revenue cutter was hid sway behind the Long Headland, ready to steam out at a moment's notice, and cut off the escape of the chooner, shoud she put in an appearance. The majority of the guard-some thirty i umber-were concealed under the cliffs along the beach, ready to tackle the smugjust received my appointment on the guard glers as they landed at Glensmere ; and I, -which almost any young man in the town with four men under my command, was to would have sold his soul for-I thought that take up a position in that little footpath which you saw winding down the face of the of the Giensmere story, sir.' I would have it pretty much my-own way seeing that little Jesse had a hard time of it, crag toward the cove.

while I was well able to support a wife, be-"Garth,' said the lieutenant, when the sides being not bad looking, and having a preparations were about complete, the reputation for sobriety and industry. thieves have many confederates ashore, and 'But little Jessie, to my surprise and mo in case of discovery, I believe they will make tification, after listening to my story very signal, and an attempt will be made to attentively, candidly told me that she could blow up the cavern, which I have all along uspected to be mined for the purpose. Your 'Oh, do not look so sad about it, Elgood ! esition will be directly over the cave, and said she, beginning to blubber to herself. 'It you will have the opportunity of grabbing makes me so unhappy to see you take it any incendiary who may be lurking around." so hard. Indeed-indeed I can't marry you! Yes, sir,' says I, scratching my head, and I can't marry you ! I have known you se

feeling anything but cheerful at the prospect long-I like you so well-I would if I could; of being blown higher than a kite. 'And do but I can't-I can't !' And she broke right understand you to hint, sir, that there is a down, and cried so bitterly that I felt reasonable chance of promotion for a poor fellow who does his duty under such cir-'However, I plucked up grit enough to umstances ?'

"Garth,' says he, 'there is a chance-s "I see how it is, Jessie ; there's some oth very reasonable chauce.' "Then, sir,' says I, 'You can count on me

through thick and thin.' . 'That afternoon, as I was going along cliffs, one of my men, who had just o

smugglers, who had been be ruiled into landing, but who were now endeavoring to re gain their boats through the surf. 'Back I' I cried-'back I the fired ! 'At this very instant, with a low, prem

itory rumbling, and then a deafening roar the explosion occurred. The only damage it effected, however, was to blow out frag

ments of rock at the mouth of the cave ithout detriment to either party, as the fight was going on further up the beach. The smugglers were almost equal to the coast guard in numbers, and were making a gal lant resistance. They were led by a dash

ing young fellow, whose face was partially oncealed by a wide felt hat. 'The running waves were almost over his igh-top boots, but, with a pistol in one hand, and cutlass in the other, he beat back the guard, while some of his comrades joined hands, and endeavored to reach out to on of the boats, which was being drifted away.

"At length a shot struck him. He three up his hands, and fell forward upon the sands As his hat fell off and he rolled ove on his back, I recognized the handsome face of the young artist, Master Guy Harnetc.

Jessie tore away from me, and threw herselt with a desolate shrick on the bosom of her expiring lover. 'A moment later, a bright light shot u

from the smugglers' schooner-which had been fighting bravely, but unequally, with her single gun-and in a few moments morshe was wrapped in flames. After a brief esistance, the remaining smugglers in the surf were overpowered, and made prisoners though a large number of them had been reviously wounded.

'Allen Burt, with the men who remained with him in the schooner, died in the ill fated vessel. It transpired that he was a rela tive of Guy Harnett, whom he had allowed so much a year to prosecute his studies with but he had continually held out induce ments for him to enter upon his own wild and desperate course of life. The young

man had only fully yielded when spurred by the prospect of his marriage ; and had gained only death and dishonor. That is the end 'But the girl-Jessie-what became o

her ?' I asked. "Listen !" said Sergeant Elgood Garth, lifting up his finger. 'Do you not even now hear her singing ?"

I did hear a wild, crooning voice omewhere out in the fog, and said so. 'Well, that's she. And there she goes now, wandering about as she does day after

I looked through the dirty window pane of the little tavern, and saw the desolate forlorn figure of a woman, still young, straying through the driving mist, and waving her arms wildly about.
