into my store after Curley was down when I saw him. When he asked me to treat him for was down to excited. He afterwards became excited in talking about Gunning. Gunning was about 50 years old. The stick Curley is the work of the work of the work of the store at long.
The blue work have been possible. I asked to treat him heme. The store at the store and the work of the store at long.
The blue work have been possible. I asked to treat him heme. The store at the store at long.
The blue work have been from above is the work of the store at long.
The blue work have been from above is the store at a care that day. Sometimes it particularly, think the store at that day. Sometimes it particularly.
The blue work have been struck with the rest of the in jury the two fractures running forward and taming. Live now in Illinois. In 1877 I was a gent for A. W. Creamer in a liquor to the store at on the store of the store at on the store at the store at on the store at onthe store at the store at on the store at on the store at the store at on the store at on the store at the store at on the store at the store at the store at on the store at on the store at on the store at the store at the store at on the store at the \$1405 61 we apperd. 107 A. W. Attrace 'I is a large and the story of the Attrace and the story of the Attrace and the story of the Attrace and the story of the story and by graves and the story and the story and by graves and the story and by graves and the story and by graves and the story was sitting and then threw the stone. He was pretty near Gunning when he threw the stone. The stone would weigh two or three pounds. He appeared to throw the stone with full force. I went over to where he was lying. Some men carried him home. I was about 20 or 30 pards away when Cur-ley struck him. I was near by when they carried him away. Gunning's house was about a harf a square away. He did not speak after he was struck that I heard of. Curley went towards his own house right away. The next time I saw him was last February in the court room at the *kabeas corpus* hear-The store or Gunning when he three he show when the some wile decide of a store of the decide of

dangerous; compared with the rest of the in-jury the two fractures running forward and downward were unimportant. Calls were long enough to make examinations. We consulted on the subject of trephaning. Andrew B. Cockran sworn-Have been survey or for 20 years. I have a map from a survey made by myself in January repre-senting the place of this bomicide. The lots are 25 feet front, Christian. He is a member of the Coal & Tron police. D. E. Keller sworn-I saw Gunning on the 26 of July 1876, and the huckleberries, and

after Maggie nit hun. Doch thear dim any anything after he was hit. Joseph. Yetter recalled — Gunning 'wasn't very drunk and he wasn't sober. Cross-examined — He had been drinking but wasn't disabled. Can't say whether Couley had been drinking.

but wasn't disabled. Can't say whether Curley had been drinking. John Boyle sworn—Was on the porch at the drug store. Saw the fight. First saw Curley throw something, he stooped for the second, and Mag threw something. Curley staggered back and put his hand to his fore-heae, turned and went into the house. Gunstaggered back and put his hand to his fore-heae, turned and went into the house. Gun-ning went into his and came out right away aud went as far is Dan Curry's and scood a moment, I saw no more of him until he was sitting at the culvert. The witness then stated the manner of the striking by Curley same as given by previous witnesses. Never seen Curley since until hast Thursday. It was half an hour as near as I can tell from the time of the quarrel until he struck Gunning. Cross-examined—Was a coal miner. Was no nearce the fight than the drug store. About twenly minutes after the blow I saw Corley in the alley going towards the Dark corner. Bernard Curran swarn—When Curley

corner. Bernard Curran nearn-When Curley struck Gunning Lwas at the post office. Saw a disturbance between Curleys and Gun-nings, but don't know anything definite. While sitting at post office saw Gunning come up to Curley's, from there he went to Fortner's and spoke to an old man named
