BLOOMSBURG, FRIDAY, JUNE 25, 1880

PUBLIC SALES. Hester Ann Edson, Executrix of B. F. Cole sod, of Benton township, will expose real e to sale on the premises on Thursday toth, 1850. See advertisement.

J. Buckalew offers a house and lot sim-First arrest in the Town of Bloomsburg. rate sale until July 5th, and if not dised of by that time will be sold at public without reservation.

ons who come in this office to settle up their exiption why it is that we cannot take \$1.50 for all the time in arrears. It is simply those are not our terms. We never ed to do anything of the kind, and do not se to. A short time before last October, way & Elwell, the late publishers, re the subscription price to \$1.50 strictly in

if course those who did not pay in advance not entitled to this rate, while those who for the paper when the price was two doiyear, were charged that price. Now the orship has changed, but the accounts reat the Columnian office, just as though by after the first half day. Try them-buy at the Columnax office, just as mooga ange had taken place. Those who owe paper more than one year will pay two as paper more than one year will pay two for the paper, while those who have country of account of BLOOMSBURG CORNER HAND PESTIVAL. of this paper has always been \$2.00 a year. remains at that, but a discount of fifty allowed when paid in advance. Please 1804 and 19th: or that all papers for the present year not paid for by October 1st, 1880, will 2.00 Paper and all other materials still reat a high figure and we have to pay each and the low rate is offered for the pur factting new subscribers and to break of ng credit system. Some people think that y pay for the paper once in four or five s, that is sufficient, but it is a great inconence to the publishers who need the money ry year; hence an inducement is held out to alody to pay within the year. It is done ially for our own convenience, and there after the year has expired, persons no olying with our terms ought not to have the k to ask us to give them the same benefits thers receive who have complied. Let us illustrate what is of frequent occur

. A man comes in who owes Brockway Elwell for three years' subscription. He je that his bill is six dollars to October 1st, and \$1.50 for the year ending October Mexican Remedy, Herbaline Bitters. They are and \$1.00 for the year. As the price somis easy of administration, pleasant to take, and r \$1.50, he will not pay any more that that harmless as honey. They never disappoint. will pay up and stop the paper. Ou reply hat the price up to last October was to do as a year, and we cannot take less, afte send og the paper three years. No fair mined buss man would ask us to do any sue thing But the impression of many seems to & that threat to stop the paper will brig us to e, and they will get it at \$1.50. no natter then paid. This is a mistake. We cannot a all afford to lose the subscriber as to see ollar and a half on three years' subscript a The above are our terms and prices of w hall adhers to them strictly, and we ne will ask us to make a special rule feach we. We treat all alike, and have but e mil for everybody.

You see the berries hanging full on the bare stock." Mr. John Eby, living The fishermen are daily making vain atat Lucust Grove, says: "The army worm is near enough for me. About the only thing to do is ditching, and that will give employment Write to them without delay. Nov. 21-1v. tempts to catch the wary bass. Only occasion There will be a general meeting of the stock. The Cora Van Tassel Troups, played four o many laborers,"

Mr. Gabriel Hiester says: "I don't think it will reach us this year, and I hope it won't come. But if it comes I will "doctor" it to the best of my ability. It is no hour, for I have talked with men in Lancaster county who have een it and are troubled with it. I would plow a deep furrow, say about ten inches deep, on the side that they are coming from, so that the perpendicular side is next to the farm. They sannot climb a straight wall ten inches highanother good way to destroy them would be to place a row of sawdust in advance of them, and pour coal oil on it and set it on fire when they reached it. They do not attack the grain when it is ripe, as it is too rough. They attack the gre-u wheat and chew it off near the roots

mountain. With a companion, he followed. Then they can eat the grain " One gentleman living near Hummelstown mys he doesn't know anything about the army worm, but he knows that the grasshoppers are near him. They have destroyed a large field of wheat and have began on one of tye. Going rom one field to another they are so thick that pe, the stolen bridles were also found. The a step cannot be taken without killing a half dozen or more.

Mr. Fisher, residing near Shiremanstown says: "We are troubled with a wheat worm but I do not think it is an army worm."

Mr. Abner Bassel, whose farms are just this side of Hummelstown, says: "I would not know what to do with them. I think it has to let them run their course. It isn't safe to my already given in favor of St. Jacob's Oil, Paris green them. The only things that bothwh I had occasion to test personally. I suf- or us are the grasshoppers, and they are esto extreme pains in the tack of my neck, pocially bad when there is a drought. There enberg, Col. We have two founts nearly silke pest and abated it in some degree: but, after all, the true way is to put in its place some.

A rare chance for a country office to get good fine 18.4w (that of ditching.) about two miles northwest of Camp Hill. He

A farmer of York county says: "It hasn't eached us yet. We'll try ditching. It doesn't rouble the potatoes; it leaves them to the bugs. Perhaps they are blessings in disguise. but we don't see it as yet."

Several other gentlemen were interviewed or the subject. Some said they didn't know any thing about it. It hasn't reached them yet Others said they would try disching it it came, but they did not think it would come this year It must come within two weeks to do any harm to the wheat around here, as it will have changed color within that time.

The grasshoppers and a worm that strips the leaves off the goomberry and current bushes are the posts that are troubling this locality The potato bugs can be doctored very success fully by applying Paris Green when the first young hugs appear, for those are the ones that do the destroying. The insects generally disappear of themseives. The Waynesborn Gazette rays that the "wheat

worm" is ravaging the fields of wheat in that neighborhood. The worm resembles the black caterpillar and varies from a half inch to an nch-and half in length. At the time we visit ed a field, a little after sunset, countless num bers could be seen on the wheat stalks, on the fences, and on the railroad siding dozens could be seen on a square of four or Eve feet. The worm attacks the head as well as the blade, and the attack must prove very damaging to the erop. They are said to be more particularly confined to low grounds which are inclined to dampness. Some who profess to be posted ay that these are the vericable "army worms," which are so destructive, but this is a mistake The general impression among farmers seems to be that the destroying insect will not read this locality this year. But that it is rapidly being, "Libby Prison-What I Saw and Heard approaching there is little room to doubt. When ast heard from the army was at Womelsdorf. Berks county, where it was reported in strong force and is striking consternation into the farmers' hearts. Thirteen farms have already been attacked, and the farmers are holding meetings to devise the best means of defense. One field containg twenty acres of rye was destroyed in a single night, after which the in

It should be the aim of every owner of Horses, Cows, &c., to make them as handsome and useful as possible. The German Horse and Cow Powder helps to develop all the powers of the animal. It improves its beauty and increases its usefulness. It makes milk, mucle and fat. By using it a horse will do more work and a cow give more milk and storm in this part of the county on the 12th Sold only by weight at 15 cents a pound by and be in better condition with less feed, C. A. Kleim, Bloomsburg. Dec 12, '79-1y

sacts attacked a corn field. - III by Patriot.

LET THE RULES BE ENFORCED!

It has come to be a well known fact that there are certain portions of this county a little vexed in obtaining the ages of some of from which delegates come to the Democratic county convention annually for the purpose of making money. The rules require that all delegates shall be instructed for tico built in front of his home, and also had his whom they are to vote in convention, and dwelling finely painted. We suppose the next that after the second ballot, the candidate receiving the lowest number of votes, shall be dropped from the list, and so on after each second ballot. After any candidate is dropped the delegates instructed for him are free to vote for whom they choose. This enables certain districts to send their delegate line excert. It is thought by many that this who was away enjoying his bridge four. Success here instructed for men whom they are quite sure will stand lowest in the convention and after the second ballot they are free to vote for the one who is ready to pay them the most money to cover what they call nectival in some grove near this village on the essary expenses. These espenses are anywhere from ten to one hundred dollars apiece, and a good time is anticipated. One hand of mu- these demands have, in too many instances, sic, positively, and very likely two, will be been paid. In at least one case, not very long present for the occasion. "Come one and all, ago, the general belief that two delegates both great and small," and enjoy yourselves, had been bought in this way, resulted in the and by so doing, you will aid in a good and ni- defeat of the democratic candidate for an important office.

The fair name of the Democracy of this county requires that these corrupt practices shall ceas. The law specifically prohibits them and attaches a beavy penalty to any violation. A resolution of the convention of ofrom the objectious urged against malt liquors 1878 aims at this very matter in the follow-

ing words: Resolved, That the Standing Committee ! Resolved, I hat he standing Committee of authorized to examine any charges which may be made to them, of violation of law or Dew occatic vules by any candidate in connection with the defigute election or convention, and if such charges shall be sustained, to take all necwary steps to vindicate the law and the rule

the party. Chapter IV, Rule III is as follows: In case of the death, declination or REMOV-AL of any candidate put in nomination by the convention, before the election, a new nomina-tion of a candidate shall be made by the Standing Committee, called together for that purpose by public notice, from among citizens eligible

nder thece rules. It will be seen that the regulations of the party are ample to remove any candidate who has obtained his nomination corruptly. my worm visited his property he said: "Let them come; the only thing that will stop them is ditching. I would dig deep ditches around in operation, and hence it has been lost sight in operation, and hence it has been lost sight. my fields and run water into them and drown of. Hereafter let it be known that the law and the rules will be rigidly enforced against any man who shall obtain his nomination believe there is anything in it. I think it is a by the use of illegal means, and then we hoar. There is a worm around that attacks shall have fair nominations and triumphant

Actual indebtedness C. S. FURMAN, Secretary. We the undersigned auditors of Bloomsborg, Pa, ave examined the Breegoing statement with the suchers as presented by the Treasurer, and find the one correct and approve the same, FRANK P. KLINE, THOS. WEER, H. W. BUCKINGHAM.)

CAUTION. GET THE BEST. ESTEY ORGANS.

STRONG COMPETETION

In the manufacture of Organs is resulting in the production and sale of cheap goods, made from inferior materials. I refer particularly to bogus Organs that are continually springing into existence, without any merit whatever, except to be offered cheap, and then when purchased found to be dear at any price. Will you not then, reader,

If you Contemplate Buying an Organ

consider it your only safeguard to select an instrument bearing the names of first class, wholly responsible makers. A good assortment of styles of the celebrated Estey Organs can now be seen at the new rooms of the Only Authorized Agent for the Estey Organs in Columbia County. A guarantee for five years from the manufacturers accompanies every Estey Organ,
