HERDIC TO THE SURFACE. We notice by the Williamport Santhat Peter each, capable of scating eight persons and to Scanlan for Legislature. oe drawn with one horse. The principal points about this coach, giving it superiority over any other, is in the fact of its having very large wheels, thus passing more easily over the rough payements and allowing one horse to draw about as much as two with smaller wheels, The axles are in a single piece of casting, with drop of eighteen inches from the spinlles, allowing the coach to set near the ground. There are other points of excellence which comnend themselves at once. Mr. Herdic has orat Philadelphia, where they intend to manufacare these coaches on a large scale and expect to supply every city in the United States.

C'E'EE CON CHE CON CONTRACTOR CON

In the manufacture of Organs is resulting in the production and sale of cheap goods, made from inferior materials. I refer particularly to bogus Organs that are continually springing into existence, without any merit whatever, except to be offered cheap, and then when purchased found to be dear at any price. Will you not then, reader,

If you Contemplate Buying an Organ

consider it your only safeguard to select an instrument bearing the names of first class, wholly responsible makers. A good assortment of styles of the celebrated Estey Organs can now be seen at the new rooms of the Only Authorized Agent for the Estey Organs in Columbia County. A guarantee for five years from the manufacturers accompanies every Estey Organ.
