Military bulldezing.

A SOLDIER PUT IN THE GUARD-HOUSE FOR EXULTING OVER HANCOCK'S. NOMINATION -STILL MORR ARRI-TARY MEASURES THREAT-ENED.

'foot' (to use the technical term of the trade), constitutes but a very small per-The recent punishment of Kavanaugh a private at Williu's Point, by his commander centage of the stock inmarket, as there Colonel Abbot, for exhibiting joy at Hancock's nomination, has been investigated by a New York Star reporter, who gathered, after a few minutes' conversation with some of the men, that a new unprecedented order was expected from the commanding colone! and held, was said, then already decided sufficiency among the peasant maids of upon. The forthcoming order, it was suppnasl, would forbid every private attached supply, and is asserted that Paris alone uses more than all the available erop in to the Willett's Point voting on election day. Kayanauch was not to be seen, but th reporter had but little difficulty in florting a soldier who informed him of the candition of affairs and the feeling of the men over for forty tons a year of dark hair, of such arbitary discipline. He parrated in an intelligent and straightforward manner the circumstances which led up to the present hair are classed the combings, which thrifty servant girls save up and sell, the clippings of barber shops, faded curls, worn out switches, etc. The seav-

Hannick in some way emferred a favor or poor Kavanangh, who is an artiflerymae Kavanaugh is a worm hearted, generous fellay, and nover forgot it. He almost worshiped Hancock, and I tell you he's not the only man on this past who loss. A shore time ago Karanaugh, while at the artillery practice, made some remarkable shooting. for which he was complimented by the Gen eral. Well, on Tuesday, week before last, ket. Much of this enters into the cheap Kavanaugh was at the villiage on some busi-Kavanaugh was at the villiage on some bust-for the post. While there he received the ly made in France of which enormous news of Hancock's numination at Cincinnati Delighted beyond neasure at the success of tomer and America almost as good, his benefactor, he procured an American Late reports of the commerce of Swatow. flug, and, using all dispatch in finishing hiusiness he monated his horse and started back to quarters. You may immagine be went through the main street of the village at a ratifing pace, and whenever he met an acquaintance he called out to him that Unncock had got the nomination. The Republicans, who form a mejority of the residentdidn't like it a bit, and afterward I heard that they had communicated with Colone Abbott about Kavanaugh's conduct. When Kayanaugh reached the post he told the news around among the men, and he stuck the flag out the window in honor of Hancook. He was greatly eleated but it was only natural, heartily exultation at his put rou's success. There was no politics in it Kayanaugh is less of a politician than many of the men stationed at the post. The colonel, who is a republican—and a strong partisan at that-lost no time in taking Kavan augh to task, and he was reprimanded an sent to the guard house for intringing on thrules. It was an outrage on its face, and done for a political purpose and to please the republicans in that place." "What do you know about the order that

is now spoken of, forbidding the men to vote on election day?" was asked.

"They may try to do it, but they can'." was the prompt reply. "I don't hold that the colonel or any other man, has a right to prevent the men from voting merely because they don't feel like supporting Garfield."

"I think," broke in another soldier, "this thing should be tested in the courts. If it isn't infimidation I'd like to know what it is. The men here are solid for Hancock, and while they respect their superior officers, and to pay his annual visit to them. Mr. Tilwe are willing to obey them in all that be ton's former home in Brooklyn is rented, and longs to military duty, they won't quietly the occupants occasionally hold spiritualisyield up the privilige of American citizens the right to vote."

The summary rebuke and punishment of Mayanaugh, which savor strongly of the martinet, not only at Willit's Point, but for health when "Dr. Lindsey's Blood Searcher" is what you need. carry out the reported intention of the com It isn't often that a boy wishes he were manding offiber at the Point, to prevent the younger, but it is possible at such times as he troops from voting, the method restored to stands up before his teacher dear and pulls will probably be that of refusing all vaca- off his jack-t for an aternoon matinee that tion or leave of absence to the men on elec- he longs for his earlier days when his jacket tion day, and ordering the guard and sen- and trousers were made in one page, preclutries to see that no one is permitted to leave. ding the possibility of such a cold blooder It is very doubtful whether such a scheme, preparation. however feasible in contemplation, will be put into practice, in view of the state of feeling that exists among the men and the unpopularity that would overtake its author unpopularity that would overtake its author as a natural consequence.

Answer This.

Did you ever know any person to be iil, for half a century. A singular discovery without inaction of the stomach, liver or kidneys, or did you ever know one who was well when either was obstructed or inactive: and did you ever know or hear of any case of the kind that Hop Bitters would not cure? the boxes was found a letters which had been posted exactly flity years ago, and which, by

Preserving Harness.

The first point to be observed is to keep whom it was addressed, who, still more the leather soft and pliable. This can be strangely, was alive, and received it safely. done only by keeping it well charged with The writer, however, had been dead many oil and grease. Water is a destroyer of each years. of these. But mud and saline moisture from the animal are even more destructive. Mud in drying absurbs the grease and opens the pores of the leather, making it a ready prey to water, while the salty character of the prespiration from the animals injures the eather, stitching and mounting. It there, fore follows that to preserve a harness the straps should be washed and oiled at intervals as required. To do this effectually the straps should be unbuckled and detatched, then washed with warm soft water and crow soap, and hong by a slow fire or in the sur till nearly dry, then coated with a mixture of negtsfoot oil and tallow and allowed to remain in a warm room for several hours, and when pretty dry rub with a woollen rag The rubbing is important, as it, in addition to removing the surplus oil and greas, tends to close pores and give a finish to the leather In hanging harness care should be taken to allow all the straps to hang their full length Light is essential to the care of leather, and when the harness closet is dark the door should be left open at least half the time during the day. All closets should be well ventilated, and when possible be well lighted: To clean plated mountings use a chamois use a little tripoli or rotten-stone, but they should be scoured as little as possibls.

CHOLERA.-No danger from Cholera in the Liver is in proper order and ordinary prudence in diet is observed. The occasion-al taking of Simmons' Liver Regulator to keep the system healthy, will surely prenent the attabks of Cholera.

The Sun says: Carl Schurz did not men tion Chester A. Arthur in his speech at Indianapolis ; Richard W. Thompson did not mention Chester A. Arthur in his speech at Terre Haute, Gen. Arthur is the republican candidate for Vice President. And the Bucks County Intelligencer will not

even hang Arthur's picture in the window.

The Elmira Gasette says a gentlemen in that city has authorized it to state, in order to test the sincerity of the statements of bragto test the sincerity of the statements of bragging Republicans, that he will wager \$100 that Hancock carries Penn's; \$100 that he will carry Conn.; \$100 that he will carry Indianna; \$100 that he will carry Indianna; \$100 that he will carry New Yerk; \$100 that he wins all the above bets; and \$1,000 that Hancock will be elected. All the offers to be accepted or none.

Where False Hair Comes From. False hair having come to be recog

nized as a necessity of the modern fe

male existence, it may be of interest to learn how this constantly increasing want is supplied. Live hair bought on

PERFECTLY SAFE IN THE MOST INEXPERIENCED HANDS!

For Diarrhosa, Dysentery, Cramps, Cholera, and all those numerous troubles of the stomach and bowels SO PREVALENT AT THIS SEASON.

No Remedy known to the Medical Profession has been in use so long and with such uniformly satisfactory results as

PAIN KILLER

AN UNFAILING CURE FOR ALL SUMMER COMPLAINTS

In such diseases, the attack is usually sudden and frequently very acute; but with a safe remedy at hand for immediate use, there is seldom dauger of the fatal result which so often follows a few days' neglect.

The inclination to wait and see if the morrow does not bring a better feeling, not infrequently cerasions a vast amount of needless suffering, and sometimes costs a life. A timely dose of Fain Killer will almost invariable save both, and with them the attendant dectors fee.

It has stood the test of forty years' constant use in all countries and climates, and is perfectly safe in any person's hands.

It is recommended by Physicians, Surses in Hospitals, and persons of all classes and professions who have had opportunity for observing the wonderful results which have always followed its use.
