Poetical.

HOW TO CONDEMN THE FRAUD. A certain man not a judge... Appear as those he helped to wrong.

But neither roguery nor honor have... The privilege of sanctuary... They get, or ought to get, their dues.

For four long years the White House roof... The mantle of the Presidency... Shifters and covers up who mean

They have made the Presidency... That this should be the stolen glory... Who was not guilty of robbing

For such a place at such a time... Can such a man be fairly tried... Who made a judge to judge
