THE COUNTY FAIR.

The fair which was held inst week from Wed needay to Saturday was a success. The attendsnee on Friday was immense, it being estimated that from 10,000 to 12,000 people were on the grounds. Before noon it became necessa ry to refuse admission to vehicles, as all availa ry to refuse admitsion to volticies, as an available space was filled. From the judges' stand, the view was a fine one. The entire excloance was a solid mass of horses, wegons and people. The exhibits were as a general thing, good. In the ladies's department there was not so larges, display as usual, while income others it was moch larger. There was a fine exhibition of Agricultural machinery, the most noticeable being that of D. M. Osborne & Co., represent of by J. C. Townsend. Their self-binding har more barger to D. M. Suffice it to say that do whole display was go-d. Columbia county has the reputation of having one of the best thirs in the State, and people from all the surrounding counties visit it annually.

The success of the fair is owing largely to the management of the officers. They are all men of business, and left nothing undene to secure a large attendance and give satisfaction. Mr. F. B. Hartman, the Secretary, has proved a very officient officer, and through his efforts excursion rates were obtained from points which had never before had them. If anythey would not have made so much thing occurred to di-please anyone it was through no fault of the officers and committees They did not exhibit that spirit of close econo my which has been practiced by some boards 18-t years to the detriment of the exhibition, but advertised liberally, and to this lo great measure may be attributed the large a tendance. The officers are as follows: E.J. McHenry, President; C. L. Sands, M. G. Hughes, Freas Fowler, U H. Ent, Vice Presidents; F. B. Hartman Sc.rotary; J. F. Pes-cock, Treasurer; W. H. Abbo, I.
