Plensant, the ice on Moos'e lake is two feet thick, and the lumbermen are hauling logs on sleighs in the west end of Sterling township. Prof. Niles. Nice state of affairs in May, isn't it? Oh, Ver. nor, Vennor, this is your work.

C. F. Harder of Catawissa, whose advertisement will be found elsewhere, has on hand a large stock of hardware, cutlery, paints, oils and varnishes. He also manufactures doors, sash,blinds &c., and deals extensively in lomber of all kinds. Those who purchase of him will be perfectly satisfied.

Aver & Son's Minual gives just the informs tion needed to make a judicious selection of papers for any newspaper advertising. It contains also many advantageous special offers Sant on receipt of Ten Cents. Address N. W. Ayer & Son, Advertising Agents, Times Building, Philadeli hia.

The following unpalatable announcement has an interest for the farmer. The army worm having run its career as the chief insect pest for 1880, Prof. Riley, a leading entomologist at Washington, promises an entirely different visitor is the shape of the seventeer-year locust reinf.ccel by the thirteen-year.

As there is no "t" in the name of this month many persons will refrain from eating oysters and devote themselves to the consumption of clams. Oysters taken from Southern waters are just as good now, as Northern bivalves are part of the State. during the winter. Excellent oysters can be obtained in New York during the Summer.

[Des Moines Iowa State Register.]

We notice the following in an exchange: Mr. G. B. Haverer, Foreman N. Y. & N. H. S. B. Co , suffired for eight days with terrible pain i the back, almost to distraction, until he heard of and used St. Jacob's Oil, one bottle of which cured him completely.

There is a great deal of complaint that parties are violating the fish laws in catching bass and pike before the season opens. No bass or pike can be taken between the first day of D. comber and the first day of Jure, under a pen alty of ten dollars for each fi h caught. It i also unlawful for any person to eatch bass of pike in any way but by hook and line, under a penalty of ten dollars for each fish caught.

Readers of newspapers can hardly fail to remark the number of post-office robberies perpetrated of late. As many as half a dozen have taken place in a single week, but only one, that in Pittston, has materially benefited the rol hors. By of enjng letters these depredators have rendered themselves lisble to punishment un der the United States law, and it is to be hoped that the government will take some measures to detect and imprison the offenders. Sint.

RESCUED FROM DEATH.

The following statement of William J. Coughlin, of some veloc. Mass. Is so remarkable that we beg to ask for it the attention of our readers. It is soys in the fail of 1856 when I was taken with a Violent inheeding of the tungs followed by a severe cough I soon began to ioxe my appetite and flesh. I was so weak at one times that I could not beave my bed in the sammer of 1877 I was admitted to the crit itospital. White there the doctors shall I had a hoj in my left lung as big as a unit dollar. I expendence over a hundred dollars in doctors and medicing over a hundred dollars in doctors and in discing-For a bundled donary in doctors and medicines, was so far gone at one time a reject is well around 1 as dead. I gave up hone, but a relead bold me of R. WM. HALLS BAISAM FOR THE LUNGS. I ghed at my riferids thicking that my case was carable, but I got a bottle to satisfy them, when my surprise and grafification. I commenced to set better, My nope, cace dead began to revive, and ordy I feel in better spirits than 1 have for three ears.

Respectfully Yours &c., spr. 15-6m HENRY S, REAY, David Reese and his son nine years old, were burned to death in their house near Lancaster, on Monday morning last.
