### STRONG COMPETERION

In the manufacture of Organs is resulting in the production and sale of cheap goods, made from inferior materials. I refer particularly to bogus Organs that are continually springing into existence, without any merit whatever, except to be offered cheap, and then when purchased found to be dear at any price. Will you not then, reader,

If you Contemplate Buying an Organ consider it your only safeguard to select an instrument bearing the names of first class, wholly responsible makers. A good assortment of

styles of the celebrated Estey Organs can now be seen at the new rooms of the Only Authorized Agent for the Estey Organs in Columbia County. A guarantee for five years from the manufacturers accompanies every Estev Organ. J. SALTZER, Agent,
